WEEKLY UPDATE

May 4, 2005 Vol. 5, Issue 1

FROM THE HEAD OF SCHOOL

DEDICATION DAY – FRIDAY, MAY 6, 2005 – 10:00AM

This Friday is a special day in the history of our school. We are celebrating the dedication of our permanent home, our 10th anniversary and the dedication of the playground. We would like students to take pride in how they dress Friday. While we are not requiring students to be in coats and ties, we would appreciate students avoid wearing jeans and T-shirts and go for something more appropriate to the occasion.

TRAFFIC PATTERN FOR FRIDAY MORNING DROP OFF

We need the assistance of every parent this Friday. Due to the dedication being held Friday morning in front of the school, we will have ALL drop-off happening at the back door of the school.

PARENTS ATTENDING THE DEDICATION

Please park in the parking lot just prior to our entrance. NO parent or guest parking will be on our property or on Longwater Circle. Please do not block drives or entrances to any areas and please cooperate with the Norwell police who will be directing traffic. There will be a seating section for parents and guests behind the student section.

Let's work together to make Friday a memorable event.

LET'S GET ORGANIZED

A Skill-Building Workshop for Families of Children with Special Needs

On May 14, 2005 from 8:15 am to 11:45am

at South Shore Charter Public School

in coffee room by level 3 classrooms

(note: this is a make up snow day and a reservation is needed to attend)

We invite you to join us for “LETS GET ORGANIZED”, our free skill-building workshop for families of children with special needs. Children do not come with instructions, and neither do the challenges you face when raising a child with a disability. This workshop will help parents work with their own strengths and successes with concrete written materials to strengthen their organizational skills.

“LET’S GET ORGANIZED” With so much paperwork; so many doctors, reports, school papers—how do we keep it all straight? The focus of this workshop is to:

1. Discuss the importance of developing good organizational skills;
2. Identify methods of organizing records;
3. Recognize the importance of emergency preparedness; and
4. Consider effective ways to build a community for your child.

At the conclusion of the workshop, participants will have a three-ring binder, organizational supplies, and lots of ideas on ways to bring order to the mountains of paperwork that relates to their child’s medical and educational needs.

Workshop Given by Karen Douglass, Southeast Regional Coordinator of Family Ties.

Reserve a seat by May 1, 2005 space is limited

It has now been open to all PACS in the South Shore Schools Systems.
