PRINCIPAL'S REPORT

Thanks again to everyone who participated in the High school parent/teacher conference night and the presentations on Senior Projects last Thursday, October 11. Please note that if you have further questions or concerns or were unable to attend the conferences, please contact your child's teacher directly to set up a mutually agreeable meeting time.

Thanks also to Shelley, Krista, Angie, and Ted for their Singapore Math night on Tuesday, October 16. It was a great turnout and well received. It is gratifying to know so many of our parents take a keen interest in this new curriculum.

A continued request from Tara...the forensics team will start competing in a few weeks. They need to bring 2-3 judges with them each meet or pay a penalty. You can serve as a judge for speech, acting, or debate. The meets are on Saturday mornings from 9-12. There are 1 or 2 meets a month. You can sign up to judge at 1 or several meets. It makes no difference. Lunch is free for judges, but unfortunately there is no pay. However, most of the meets are entertaining and inspiring. If you are interested, please see Tara if you would like to help out.

MCAS scores are being sent home to parents this week. While we have made some progress, we have a way to go. The faculty continues to study these results to determine the best course of action to help all of our students to become proficient and life long learners.

Picture re-take day, and workshop group photos, is scheduled for Thursday, October 18th. Please remember that you must return the full packet that you received if you would like a retake. The photographers will be here in the afternoon.

The HS will be administering PSAT exams Wednesday, October 17, for all sophomores and juniors. The freshmen will be taken a reading assessment and the seniors are going on a college visit.

K-8 warnings are due in the office by Friday, October 19. They will be mailed to parents on Tuesday, October 23. Please take the time to review these warning with your child and contact the teachers immediately to discuss your child's progress.

There will be an early release professional development day on Tuesday, October 23. The topic of the day will center on developing the project/workshop curricula. This is one of the goals of our school improvement plan in anticipation of our Year 3 Charter Renewal visit by the DOE on February 5.

A Couple of Reminders-

If you are having before school or after school meetings with teachers, the Before School and After School programs are not open to your children unless they are registered for those programs. Those students/siblings must be under the supervision of the parents at all times. Thanks for your help.

All students must be picked up by 3:30PM. The only exceptions are those in activities under the direct supervision of a faculty member or coach. In these cases, the students must be picked up at the conclusion of the activity. If late pick up is an issue for K-7 students, you must register your child in the YMCA's after school program.

Dr. Tom Gorsuch

FROM THE ATHLETIC DIRECTOR

SOCCER:

High School has improved its record to 2-5-1 with two straight victories over Boston Collegiate and Academy of the Pacific Rim. Two more games are scheduled for this week. Home vs. Master's Academy on Thursday and away vs. Codman Academy Friday evening at 5:15pm.

Middle School soccer is still doing well although they finally suffered a defeat to the hands of Marblehead Charter School on Tuesday 2-0. The little Jags look to avenge their loss this Friday against the same Marblehead team.

SKI/SNOWBOARD CLUB:

Ski/Snowboard Club applications are now available for grades 7-12. Please see Will Glennon for more information.

BASKETBALL:

High School basketball practice will begin the week of November 12th – 16th

Middle School basketball practice will begin the week of December 10th – 14th.

LEVEL IV PROJECT LOOKING FOR RECIPES!
