Kudos to the Math Counts Team

Congratulations to SSCPS's Math Counts Team for their performance last Saturday at the Regional Competition. This is the second year that we have entered a team. Math Counts is open to students in grades 5-8 and once a week, our Math Counts team (22 students strong) meets with their Coaches Angie Pepin and Bev Bruce to go over word problems and have "fun" with math. Our region stretches from the South Shore to the North Shore and includes the number one team in the state, Lexington. Most of the schools that enter teams practice three or four days a week – so we are up against some serious competition. Last year, we placed 29th out of 31 teams. Angie and our team's goal for this year were to improve our standing to 25th. They did better than that, moving up seven places and coming in 23rd out of 33 teams. Congratulations to team members Katie Aucella, Thomas Guiney, Griff Howard, Liam Maccormack, Jonathan Boyle and Megan Bateman.

First Annual Title I and After-School Program Pot Luck Supper

Sunday evening, at the Sons of Italy Hall in Braintree, SSCPS hosted its first ever Pot Luck Supper away from school. Over seventy students, adults and staff spent a wonderful evening together. The event was planned by Ted Hirsch and SSCPS parent Michele Moise and they certainly know how to run a party – lots of food, music, student performances, and an outstanding guest speaker. The speaker was John Philogene, an elementary administrator for the Boston Public Schools. Mr. Philogene had a powerful message about the importance of parents' involvement in their students' education. One of his most important pieces of advice to parents "Ask not what your school can do for you, ask what you can do for the school." Ted and I would also like to thank our teachers Jeannie Boyce and Jody Regan and their students for their performances, high school students Johnnie and Luke Ryan for playing their guitars and entertaining us, and all of the parents for their wonderful pot luck dishes. An unexpected and added attraction was parent Reginald Paul's reading of the Haitian poem that the children performed in Kreyol.

Ted announced that next year we are going to ask everyone to bring the recipe for their dish to share it with everyone. Maybe what we should do is put together a Pot Luck Recipe Book and sell it to raise some additional funds for our after-school program. Last, but by no means least, thank you Ted and Michele for putting together such a great event.

Famous Lincoln Quotes

Tomorrow is the 200th anniversary of President Lincoln's birth. As you know, I include a quote at the end of each Update. For this one, I decided that it would be appropriate to include some of Lincoln's most famous ones:

- *Character is like a tree and a reputation like a shadow. The shadow is what we think of it; the tree is the real thing.*
- *Freedom is the last, best hope of earth.*
- *I am for those means which will give the greatest good to the greatest number.*
- *I do the very best I know how - the very best I can; and I mean to keep on doing so until the end.*
- *To ease another's heartache is to forget one's own.*
- *That this nation, under God, shall have a new birth of freedom, and that government of the people, by the people, for the people, shall not perish from the earth.*

7-12 PRINCIPAL REPORT

Attendance

In the past weeks some of us at South Shore have developed sloppy habits in regards to getting to school on time. Students are expected to be in their classes at 8:15 AM. When the snow falls and conditions warrant, we do hold attendance. Lately, anywhere from fifty to eighty students appear tardy on our daily attendance report. The report indicates that approximately ten to fifteen percent of our students are tardy on a daily basis. Not only are these students learning bad behaviors, but tardy students also disrupt our teaching and learning environment. All of us can play a role in improving our attendance. Students and parents can make adjustments to ensure that students arrive to school on time. Parents and guardians should contact Donna Josselyn if their student will be absent. Donna can be reached at (781) 982-4202 extension 100 or by email at djosselyn@sscps.org. Our school doors are open at 7:45 AM. High school students arriving early must report to the high school Village Green, Level IV students arriving early must report to their level, and Kindergarten through grade six students arriving early must report to the Art Room. Personnel at SSCPS will work to enforce our attendance and tardy practices as outlined in the Student Handbook. Please note that students who receive their fourth unexcused tardy in a term will serve a Saturday morning detention. All of us should commit to developing good habits and being to school and classes on time for the remainder of this school year and beyond.

The Golf Tournament Committees and Auction Committees are now in "full swing" getting ready for the First Annual Golf Tournament and 14th Annual Auction to be held on May 28, 2009, at Southerns Marsh Golf

Club in Plymouth. Many hands are needed to make this event a success and it is a great way to meet other parents! We can use your talent, interest, and energy in the areas of the Golf tournament...recruiting players, (signing up yourself to play) soliciting sponsors for the tournament at the various levels and acquiring items for goody bags, check in or check out and helping in other ways on the day of the event, ...and the Auction... acquisition of auction items, advertising, reservations, check-in, auction catalog, silent auction, live auction, publicity, checkout, decoration, display, student art projects and more! If you are interested in helping, please contact Geri Calos, gcalos@sscps.org, (781) 982-4202 ext. 362. Please see the attached letter & donor form at the end of the update. These forms can be dropped off in the box at the front desk. Also, if you are making a payment online for the golf tournament/auction, you must still send in a donor form with the information on it explaining your donation (ie: sponsor, ad, ticket, foursome) You can just specify on the form that you paid online.

Renee Leondike, a parent of a 5th grader, will be in charge of the class art projects for the younger grades that will be made into auction items. We are working with the teachers to make this work with their schedules & will have more information to follow. If you have any thoughts or can help Renee when the time comes, please email her at rcleondike@verizon.net

PARENTS ASSOCIATION

I know it's hard to believe but it's time to start thinking about next years Parent's Association. In the spring we will have our elections for next years Officers, Committee Chairs, PA Grade Reps, and Volunteer Coordinator. If you've ever wondered "What can I do to help?" this is it. As a mother of 3 young boys who also works F/T outside of the home, I assure you that none of these positions is so time consuming that they should be viewed as prohibitive.

The positions I ask you to consider are:

- PA Officer (Chair, Co-Chair, Secretary, and Treasurer)
- Committee Chairs (Welcoming & Orientation, Arts & Music, Fundraising & Events, Community Service, Library, SEPAC, Health & Safety)
- Grade Reps (k-12)
- Volunteer Coordinator

If you are interested in running for any of the above please contact me (jcalamoureux@comcast.net or 781-335-5014) so that I may include your name on the ballot. I'm also happy to answer any questions that you feel may help in your decision making process.

Dear Friend:

It's still very much winter, but SSCEF's Auction & Golf Committee is already in full swing, planning the 14th Annual Auction and 1st Annual Golf Tournament. Yes, the **Drive Fore the Future** events will be held at Southers Marsh Golf Club in Plymouth on **Thursday, May 28th, 2009** beginning with an afternoon scramble (12:00 p.m. registration, 1:00 p.m. shotgun start) and followed by a fabulous dinner auction with one-of-a-kind items to benefit the students of the school.

This tournament is not just a great day of golf; it's an important fundraiser for an institution that's near and dear to our hearts – South Shore Charter Public School. Each year, our efforts support programs from the arts to athletics, science to technology. If you have a child who has attended the school or if you're a graduate yourself, you know what a difference an SSCPS education makes. If not, take this opportunity to learn more about this wonderful school which educates students from grades K through 12 from 27 communities in the area.

Each year, our school graduates another fine crop of future leaders who have spent thousands of hours volunteering at such places as Cardigan Nursing Home, Cradles to Crayons, Habitat for Humanity (South Shore and International), Holly Hill Farms, Magical Moon Foundation, Hull Seaside Animal Rescue, South Shore Hospital, South Shore Wildlife Center, Special Olympics, Tufts Floating Hospital, and Wellspring Multi-Service Center. Since SSCPS opened its doors in the fall of 1995, we have been committed to service learning and students begin their service in kindergarten. We are most fortunate to have this unique school on the South Shore!

We've enclosed this year's registration form, but you can also make your sponsorship commitment, sign up your foursome or make dinner auction reservations online at www.sscps.org. Sponsorship opportunities start at just \$100 and our golf packages include your cart as well as dinner that night in coordination with our Annual Auction. In short, there's something for everyone.

All we need is you. While we can accommodate about 250 for dinner, our field of golfers is limited to 144, so please register today and join us for all or part of what promises to be a spectacular day for SSCPS. If you have any questions, please contact Geri Calos at gcalos@sscps.org or at 781-982-4202 ext. 362, or any of the three co-chairs who signed below. On behalf of the entire South Shore Charter School Community, we thank you for your support.
