Shrink Wrapped Veggie Van goes on the Road!

Last Friday, high school science teacher, Tara Turner, and her workshop students, Chloe Cerilli, Kristen Cheney and Rob Eloi, parent Nancy-Schaefer Flynn, and I drove in the newly shrink wrapped Veggie Van to the State House to receive the Secretary's Award for Excellence in Energy and Environmental Education. I was so proud of our teacher and her students and all of the work that they have done in the past eight months to help make Evan Whitemyer's vision to help our school go green become a reality. On Saturday, the students and Tara were back on the road again to Westford, Connecticut as part of their tour.

To promote their tour and raise funds to continue to "spruce up" our van's interior, they are selling T-shirts for \$10 and bumper stickers for \$5. Support our Veggie Van and purchase this special T-shirt. They are selling them in the pick-up line and the lobby before and after school between 7:45-8:15 and 2:45-3:00. To order a particular size T-shirt, contact Tara Turner at tturner@sscps.org.

Charter School Day at the State House

This morning, a bus load of parents, three high school student representatives and I will be driving to the State House to make our voices heard in support of raising the cap on charter schools and maintaining the funding formula and levels for all of the charter schools in the Commonwealth. This is a busy week at the State House and many different groups are lobbying their representatives and senators in support of their organizations and programs. These are difficult times for everyone and we recognize that cuts in the state budget and/or tax increases will be necessary. However, there is nothing more important than the education of all of our students – they are our future. Many thanks to all of the parents who rearranged their schedules today to join us at the State House! The Charter School office expects there to be 500 parents there today.

Revisiting and Editing our Mission

On Thursday, April 9th, the members of the Accountability Committee held their first meeting. The task of the Accountability Committee is to oversee the writing of our Accountability Plan for the next five years. The plan is the most important document that we must submit to the state by August 1st and is part of the charter renewal process. The twenty member committee consists of students, parents, teachers, administrators, and trustees. On the

9th, the Committee reviewed our current mission statement and came up with a DRAFT revision. One of the primary goals of the group in revising the mission was to make it shorter and clearer. Between now and May 9th, our next meeting, we are sharing the draft with all of the stakeholders for feedback and suggestions. Below is our current mission and the draft for you to review. The draft mission will be discussed at the Parent Association meeting next Tuesday, May 5th.

Current Mission Statement

South Shore Charter Public School inspires students to achieve their potential in academics, career, and life. This is accomplished with an innovative curriculum that addresses the learning styles of the individual student and is complemented by a real-life experiential learning program within a community that encourages service, leadership, and respect for all.

Draft New Mission Statement

South Shore Charter Public School inspires all students to achieve their potential in academics, service, and life. Innovative teaching meets the needs of every student. Independence, knowledge, and community are fostered by experiential learning through Workshops and Projects.

Reminder: Plant Swap Friday from 3:30 p.m. to 4:30 p.m.

This Friday, we are asking parents to bring in perennials as part of a plant swap. Level IV students in Emily Merwin’s Conservation Project will use the donated plants for a Memorial Garden that they are helping us create in the front of the building near our sign.

Calendar

At the April 16th Board of Trustees meeting it was voted that the last day of school for the current 2008-2009 school year will remain Thursday, June 18th. The Board also voted and approved the calendar for the 2009-2010 School Year. The calendar is attached to this update.

ANNOUNCEMENTS

May 4-8 is Teacher Appreciation Week!!

Let's show our teachers how we appreciate their dedication and hard work. On Wednesday, May 6, please have your child bring in a flower to their teacher. It can be picked from a garden or homemade.

Calling all chefs, bakers and purchasers!!!!

Help show our teachers how wonderful they are. The PA will be having a Teacher Appreciation Luncheon for the teachers on Thursday, May 7. This is a half day for the students. They will be dismissed at 12:00 pm. We need main dishes, appetizers, salads, desserts, drinks and paper products. The items can be dropped off when you pick up your child or I can make arrangements with you. If something needs to be warmed, we can make arrangement for that also. Please send your item in a disposable tin as we have no cleaning facilities. If you would like to donate any of these items or have any questions, please let me know at klb.rjc@verizon.net. The teachers really enjoy these luncheons and are very excited about it. They love all kinds of different foods and appreciate the wonderful dishes that SSCPS parents bring.

K-6 PRINCIPAL REPORT

Over the week long April Break I deviated from my typical Hull to Norwell to Quincy routine and traveled around. On my travels I saw the beautiful new directional signs on our interstate highways. I love these new signs. The graphic design, which is knock-out gorgeous, as well as a new highway typeface called "Clearview" will not only make our travels more attractive they will make our roads safer and save lives. I was thinking about this new work and improvement to our infrastructure in conjunction with the work of our students, parent volunteers and teachers with the veggie van.

Now there probably is no other person who has made the connection between veggie vans and new highway signs. I do not assume that it makes sense to anyone else without explanation. I will indulge in an explanation because I believe this explanation might explain why over the course of the past 15+ years we

have built a different kind of school. The signs are a product of much work and cooperation. They were formed by the industrious work and independent thinking and experience of skilled professionals and a real human need (saving lives). They are a case where innovation is matched with tradition and craft. The new veggie van though much shorter in its incubation period (the signs are a product of well over ten years of work) is also a case of teamwork and innovation matched with tradition. Both endeavors are also products of passion and hard work.

I believe that this school, whose founders recently declared as being formed with love as its central premise, is about passion and hard work. We are getting better at declaring our need for both hard work and passion from ourselves, our students and our larger community. The renewal process is an important chance for us to take a leap into the next five years and to assert our values and our passions. Please give us feedback on the new Draft Mission Statement that is in Prue's update. This school will always be hard work. It is hard work that by its nature is of an uncertain kind because we do not know what will be the essential skills and knowledge for improving lives and making life better. We do know that it will be a product of a deep understanding of our past, leaning that is traditional and connects us with that past but that is also open to what is new. Thank you for taking this journey with us and giving us your time and your children. Schools are so important for our culture and society because if they are open they will encourage students to take chances, pursue all kinds of passions and get involved to make things better just like the makers of the new highways signs and the veggie van have done.

This Friday afternoon from 3:30 - 4:30 the Level IV Conservation Project is holding a perennial plant swap and donation. They are creating a new garden in the front of the school near the sign. This garden will not only beautify our school but it is a Memorial Garden to honor our students.

FUNDRAISING & DEVELOPMENT CORNER

Annual Fund –

Keep the Participation Momentum Going!! Make Your Donation Today

Annual Fund Phone-a-thon

The SSCEF Annual Fund phone-a-thon will take place next week, May 6th & May 7th. We will be calling all of those families who have not made a contribution to the Annual Fund asking for your help. We need your help now, more than ever! If you don't want your phone ringing, make your contribution today by dropping a check at the front desk or by donating online:

<https://secure.entango.com/donate/t7xbpeyzaxr>

Help us reach 100% participation! As always, thank you for your support!

Auction Requests

Instead of getting nickel and dimed with several smaller requests this year, the fundraising efforts have focused on fewer requests...NOW is the time when we really need help from the entire community to make the Annual Auction a success.

Auction Gift Ideas....

Parents - Still not sure what to donate for the Annual Auction? How about a bottle or two of your favorite wine which will be bundled with the others into a mini wine cellar of Charter Favorites? It is quick, easy, and affordable. Parent Jeff Jorgensen has already started us off...

Calling **High School Students**... Your talents are valuable! Traditionally the High School Art Workshop Students have donated pieces of art for the auction but even if you don't fall into that group your other talents or time can raise money for your school. Have you considered donating babysitting services? Get together with a couple of friends and donate a couple of hours of yard work as a group package? Paint a mural on a child's bedroom? Gather a few friends and offer to supervise and run games for a child's birthday party? Provide entertainment by playing music for a party? Help pass appetizers and clean dishes at a party? Offer to clean a house for a couple of hours? Provide some tutoring for a younger student...

Level III and Level IV Students...get in on the Auction Action...If you are not in Mac Haran's Knitting Project (they are creating a blanket to donate) you may be wondering how you can contribute. There will be one themed gift basket for Level III (Cooking) and two for Level IV (Sports) and (Gardening). Bring in your contribution to the gift basket and show your pride in your school!

Level I and II students are creating works of art to donate!

SSCPS's 14th Annual Auction –

Mingle with old friends and meet new people as you bid on the wide array of [Live & Silent Auction items](#). Later we will move to the outdoor custom-made sailcloth tent for dinner and the Live Auction. Executive Chef Carol Orcutt will prepare an outstanding Land and Sea Dinner which will consist of the Souther's Marsh famous Steak

Spring 2009

Dear Friend:

Spring is in the air and SSCPS's Golf Committee is in full swing, planning the 1st annual tournament. Yes, the **1st Annual South Shore Charter School "DRIVE FOR THE FUTURE" Golf Tournament** will be held at on **Thursday, May 28th, 2009** for an afternoon scramble (12:00 p.m. registration, 1:00 p.m. shotgun start), great contests followed by a fabulous dinner auction with one-of-a-kind items that'll inspire even non-golfers.

This tournament is not just a great day of golf; it's an important fundraiser for an institution that's near and dear to my heart – South Shore Charter Public School. Each year, our efforts support programs from the arts to athletics, science to technology. If you have a child who has attended the school or if you're a graduate yourself, you know what a difference an SSCPS education makes.

Each year, our school graduates another fine crop of future leaders who have spent thousands of hours volunteering at such places as Cardigan Nursing Home, Cradles to Crayons, Habitat for Humanity (South Shore and International), Holly Hill Farms, Magical Moon Foundation, Hull Seaside Animal Rescue, South Shore Hospital, South Shore Wildlife Center, Special Olympics, Tufts Floating Hospital, and Wellspring Multi-Service Center. Since SSCPS opened its doors in the fall of 1995, we have been committed to service learning and students begin their service in kindergarten. We are most fortunate to have this unique school on the South Shore!

We've enclosed this year's registration form, but you can also make your sponsorship commitment or sign up your foursome online at www.sscps.org. Sponsorship opportunities start at just \$100 and our golf packages include your cart as well as dinner that night in coordination with our Annual Auction. In short, there's something for everyone.

All we need is you. While we can accommodate about 250 for dinner, our field of golfers is limited to 144, so please register today and join us for all or part of what promises to be a spectacular day for SSCPS. If you have any questions, please contact me as Chair of the event brownwall@comcast.net or 781-545-2008 or Geri Calos at gcalos@sscps.org or at 781-982-4202, ext. 362. On behalf of the entire South Shore Charter School Community, we thank you for your support.
