Last Chance to Cast Your Ballot

If you have not yet submitted your ballot for the Trustees and the By-Law change, it is not too late. Drop off your ballot tomorrow morning at the front desk. This has been a great year for parent participation so let's keep it going and raise the participation rate of parents/families casting ballots from last year. Also, tomorrow evening is our Annual Meeting and our May Board of Trustees meeting. The agenda for the meeting is posted on our website and, as always, the meetings are open to everyone.

Accountability Committee and Charter Renewal

The Accountability Committee, comprised of parents, high school students, faculty, administrators, and members of the Board of Trustees, is meeting this evening to continue its work on SSCPS's Accountability Plan for the next five years. This Plan, along with other documents required by the Department of Elementary and Secondary Education, must be submitted by August 1st to the Department as part of the charter renewal process. The Committee is making excellent progress and is currently focusing on the Academic Program goals for the next five years. Members of the Accountability Committee will provide the Board of Trustees with an update on their progress at the Board meeting.

7-12 PRINCIPAL REPORT

Last year at this time there were discussions in Level IV and the High School to install a bell system in order to help adults and students make the more than one dozen transitions in a typical school day more timely and efficient. The discussion continues into this year as we struggle with managing our time.

In an informal study last week we noted that between four to seven minutes are lost per period while students file into classes. Multiplied out over the course of a school year, we are losing twelve to fourteen hours of class instruction in math, English, history, science, Spanish, and project/workshop. In a country struggling to add hours to the school day and days to the school year in order to prepare our students for the global competition they will enter when they graduate from high school, this does not bode well for us. Also disturbing is the poor habits in punctuality that our students are developing. It is difficult to hold students accountable when there are no structures in place to announce the end and beginning of periods. The plan to add bells last year was halted for financial reasons. Currently, we are exploring low cost alternatives that would provide the structure educators are asking for in order to make the best use of the limited time we have to teach students and in the process help our students to develop good habits. The administration and staff welcomes your feedback on this proposed change. Please contact me if you have any questions, concerns, or ideas about the implementation of a bell system next year for Level IV and the high school.

Spring 2009

Dear Friend:

Spring is in the air and SSCPS's Golf Committee is in full swing, planning the 1st annual tournament. Yes, the **1st Annual South Shore Charter School "DRIVE FOR THE FUTURE" Golf Tournament** will be held at on **Thursday, May 28th, 2009** for an afternoon scramble (12:00 p.m. registration, 1:00 p.m. shotgun start), great contests followed by a fabulous dinner auction with one-of-a-kind items that'll inspire even non-golfers.

This tournament is not just a great day of golf; it's an important fundraiser for an institution that's near and dear to my heart – South Shore Charter Public School. Each year, our efforts support programs from the arts to athletics, science to technology. If you have a child who has attended the school or if you're a graduate yourself, you know what a difference an SSCPS education makes.

Each year, our school graduates another fine crop of future leaders who have spent thousands of hours volunteering at such places as Cardigan Nursing Home, Cradles to Crayons, Habitat for Humanity (South Shore and International), Holly Hill Farms, Magical Moon Foundation, Hull Seaside Animal Rescue, South Shore Hospital, South Shore Wildlife Center, Special Olympics, Tufts Floating Hospital, and Wellspring Multi-Service Center. Since SSCPS opened its doors in the fall of 1995, we have been committed to service learning and students begin their service in kindergarten. We are most fortunate to have this unique school on the South Shore!

We've enclosed this year's registration form, but you can also make your sponsorship commitment or sign up your foursome online at www.sscps.org. Sponsorship opportunities start at just \$100 and our golf packages include your cart as well as dinner that night in coordination with our Annual Auction. In short, there's something for everyone.

All we need is you. While we can accommodate about 250 for dinner, our field of golfers is limited to 144, so please register today and join us for all or part of what promises to be a spectacular day for SSCPS. If you have any questions, please contact me as Chair of the event brownwall@comcast.net or 781-545-2008 or Geri Calos at gcalos@sscps.org or at 781-982-4202, ext. 362. On behalf of the entire South Shore Charter School Community, we thank you for your support.
