

FROM THE EXECUTIVE DIRECTOR

The nation will have its eye on Massachusetts in the upcoming weeks as lawmakers consider legislation that would eliminate enrollment caps on charter schools. The South Shore Charter Public School and other charter schools throughout Massachusetts have been invited to a State House Day on April 11, 2013. This day will be dedicated to hearing the voices of charter school families and understanding the impact charter schools have had on education.

Although the upcoming legislation would have the greatest impact on school districts that are underperforming, the outcome of this bill has implications for all charter schools. Across the Commonwealth there are too many students for too few openings. In February our school experienced a snapshot of the dilemma when our enrollment lottery resulted in a waitlist that grew to six hundred and sixty-six students. Clearly we are not alone. In Massachusetts there are an estimated 45,000 students on charter school waitlists. The fate of this bill, filed in the Massachusetts State Legislature, is directly linked to questions of educational opportunity that are being raised nationwide.

Please consider joining us on April 11. Your voice is essential. By enrolling your children with us, you have made a clear and deliberate choice. This is your day to express the reasons for your choice to legislators. The Parents Association has been working hard to help organize our participation and we will be taking reservations until next Wednesday, April 3. Please do not hesitate to let us know if you would like to attend.

Once again thank you for all you do.

Alicia Savage – asavage@sscps.org

FROM THE ATHLETIC DIRECTOR

Winter season Award Ceremony set for Thursday

On Thursday, March 28th, the SSCPS Athletic Department will be hosting an award ceremony for all basketball players and their families. The ceremony will begin at 3:30 in the Gym. The first half hour will offer snacks and drinks, while student athletes, their families, and coaches converse. Then at 4:00 each coach will present certificates to their players and any other awards they would like. This will be a time used to reflect on the great winter season all the teams have had and for each coach to share some stories with the other teams while presenting. It is very important that we take time to acknowledge our great student athletes and give closure to the winter season as an athletic department. It would be helpful if parents could volunteer to bring in some healthy snacks. If you are interested please let the coach know of your child's team. Thanks for all the support and time you have put in this season! Any questions or concerns please contact your child's coach or Athletic Director Joe Kay.

SSCPS Basketball Players recognized for outstanding seasons

The Massachusetts Charter School Athletic Association has recognized senior Patrick Sullivan and freshman Christine Nwafor with all league honors. Patrick put up solid numbers this year, averaging 13 points, 9 rebounds, and 2 blocks per game, which led to his selection as a all league player and a top ten player in the league. The MCSAO selects one MVP for the league and ten players as all league performance. Christine Nwafor was selected as an honorable mention for her outstanding season this year. She was the lady Jags leading rebounding and was also selected as a soccer honorable mention in the Fall.

The Middle School team will be represented by Dylan Iorio at the MCSBL annual All-Star Game held in Lynn, April 6th, at Kipp Academy. Dylan had a great year, as he was the top rebounder on the team and some games the floor. He was the Middle School's most consistent player all season.

Congratulations to the Jaguar players for being recognized!

Track Season is Coming!

On Wednesday, April 10th, there will be a meeting for all students in grades 6-12 interested in Track. The meeting will be in Joe Kay's room (202) afterschool. Practices will begin the week after April break.

WHAT'S HAPPENING IN PROJECTS AND WORKSHOPS?

High School Electronics Workshop Summary - written by Jeremy Atkins

This year in the Electronics Workshop, we have been following an individual/small group model. Students may, alone or with a small group, choose their own electronics-related project to work on for a period of time. The project must further their learning in STEM (Science, Technology, Engineering, Mathematics) areas.

Various projects that students are working on include: building a model tank, with a possibly 3D-printed chassis; designing a realistic house in Google Sketchup (a 3D modeling program); learning Scratch (a graphical programming language) to interface with Makey Makey (a novel circuitry design product); disassembling a printer to see how it functions; and learning how to use an Arduino (an open-source platform for easier programmable interface chip [PIC] coding).

COMMUNITY SERVICE UPDATE

As we are approaching the month of April our students should have completed some of their community service requirements. If they are looking for ways to fulfill this requirements take a look at the list below. There are many events that make helping others and at the same time enjoying being outside in the fresh air and getting exercise at the same time. If you know of other events that are not listed below please Email Beth Toma at JToma85103@aol.com.

School Age Child Care— Scituate & Norwell

The South Shore YMCA offers a quality School Age Child Care Program (SACC) that takes place in a safe, supportive environment that fosters the physical, cognitive, social, and emotional growth of each child. We strive to support the family unit and provide developmentally appropriate enrichment programs that encourage not just learning, but also the love of learning.

- Open Monday through Friday—Before School & After School options
- Grades K-6
- Early Release from school dismissal until 6pm
- 2 day minimum
- Explore materials and equipment
- Engage in daily physical activities
- Enhance social skills through positive interactions with peers and YMCA staff
- Healthy daily snacks

We believe in positive methods of child guidance/discipline. Our staff establishes age-appropriate, reasonable yet consistent limits to help children function in their world. We strive to strengthen each child's own cultural identity while reinforcing respect and celebrating differences through play and positive interactions.
