

FROM THE 7-12 PRINCIPAL

On Monday, March 14th our student-athletes, their coaches, and their families will celebrate the end of an outstanding winter athletic season with an afterschool awards ceremony. The awards ceremony is a well-deserved opportunity for everyone involved to celebrate their successes on the court. At the end of last month both our varsity boys basketball team and our varsity girls basketball team competed in the playoffs. Our middle school boys basketball team finished with a 9-3 record, making the playoffs as the second seed in the middle school league. This season was a highlight in what is developing into an exciting year for athletics at SSCPS, with a record level of student participation and winning seasons for many of our teams.

South Shore Charter Public School was a founding member of the Massachusetts Charter School Athletic Organization (MCSAO), a network of twenty charter schools that compete in eleven sports over the course of the school year. We currently field teams in all available sports within Division I. While we have been part of the organization from the beginning, recently both the size of our program and the level of competition are surging. We are adding teams, our rosters are growing, and our rivals now recognize our teams as a formidable force.

As our program expands, the culture of athletics at SSCPS is evolving. While they were always an important aspect of school for some students, sports are now an integral part of student life for the school as a whole. This year our student body has come out to support our student athletes and their teams in large numbers and with great enthusiasm. Our students, with the support of Joe Kay, Mary Carter, and Terry Lynch have organized pep rallies prior to playoffs, decorated the office park with the names of our athletes, and outfitted the high school community in Jaguar gear. This excitement carried over to the playoffs themselves where a fan bus was needed to transport student supporters and the gym was standing room only.

Sports support the “life” component of our mission as athletics provide an opportunity to teach teamwork, cooperation, patience, and persistence. When executed well, high school athletic programs also motivate students and push academic achievement. The academic benefits are visible in the classroom performance of our student athletes. Our coaches support that academic push with study halls that help students balance their academic responsibilities with the demanding practice and game schedule that makes time management skills so important to student athletes.

In the spirit of Projects and Workshops, our students, with the support of their teachers, are taking initiative and working to expand the program beyond MCSAO sports. On Saturday our high school step team performed in the Massachusetts Charter School Athletic Organization Dance, Step, and Stomp Showcase. That performance was the culmination of months of hard work on the part of the students. The team was founded by a group of students and is completely student led, run, and choreographed. Watching one of their practices makes the resourcefulness, leadership skills, and determination of our students extraordinarily clear. Throughout the basketball season the team found an outlet for their efforts by performing at games and helping to generate excitement for the teams. When you have a moment, visit our Facebook page to see Saturday’s Step performance.

Our Athletic Director, Joe Kay; our Assistant Athletic Director Heather Brems; and our coaches have worked tirelessly to expand and promote athletics at SSCPS. Their approach to athletics aligns with our mission as they steer the program to support academics, service, and life while promoting healthy competition, physical fitness and fun. This level of success would be impossible without the support of parents and the faculty. As we enter the spring athletic season that begins at the end of this month, students will have the opportunity to participate in softball, baseball and track. We’re looking forward to another stellar season.

ATHLETICS

On Monday, March 14th, the SSCPS Athletic Department will be hosting an award ceremony for all the basketball players and their families. The ceremony will begin at 3:30 in the PE space. Each coach will present certificates to their players and any other awards they would like. This will be a time used to reflect on the great basketball season all the teams have had and for each coach to share some stories with the other teams while presenting. It is very important that we take time to acknowledge our great student athletes and give closure to the winter season as an athletic department. If any parents would like to bring any snacks or food to share, please let your student athlete's coach know. Thanks for all the support and time you have put in this season! Any questions or concerns please contact your child's coach or AD Joe Kay - jkay@sscps.org.

COMMUNITY SERVICE OPPORTUNITIES

Once Upon a Time Storybook Book Drive

Do you have any gently used picture or early reader books that would be appropriate for read-aloud in grades K-4? A friend's Eagle Project from Boy Scout Troop 34 in Hanson is starting a program in Whitman and Hanson where high school students will read to elementary school students. This program mirrors what we have done at SSCPS for years. I know how great it can be so I am hoping to collect books in support of my Boy Scout Troop to help start this wonderful literacy program. A box will be available in the SSCPS front lobby for collection.

Tanner Demaggio

SPRING CLEANING TIME!!!

Shannon Daly in Rachel's room in Level IV is collecting slightly used or new books for children, ages 2 to 14, whose parents are students at the Adult Learning Center in Brockton. Each year, all the adult learners and their children are invited to come and choose books that they can take home to create an at home library. The Learning Center relies on donations from community members to make this give-away possible, a lot of the time this is the only way they receive books. The collection box is located outside in the front lobby at the front desk, and any donations would be greatly appreciated. For larger donations please contact Barbara at barbara6910@msn.com

Level II Student Collecting Donations for Local Animal Shelter

Fisher Roman loves cats. LOVES them. He recently adopted a homeless cat from the local animal shelter. While he was at the shelter, he noticed all the cats that don't have homes. There were LOTS. So, to help the homeless cats in his town of Hull, Fisher is collecting cat food & cat litter and donating it to the shelter (called the Hull Seaside Animal Rescue). If you would like to help the cats and kittens who don't have homes, you can bring in a can or bag of cat food or cat litter and drop it off in Fisher's Cat Box in Nicole's Pod on Level 2. You can drop off your donations from now until the last day of school. Meow! (That's "Thank You!" in Cat Language)

The Guardian Center – 888 Main Street, Brockton, MA – 508-587-6556

The Guardian Center is in need of lap sized blankets for residents. These blankets offer comfort, warmth, and for some they are used to wear on laps to cover braces on their legs. Blankets can be made or purchased for the residents. They can be dropped off at the center as a donation. The center is always looking for visitors as well. Most of the patients have dementia. Should you want to donate time at the center please contact them directly so that you can be set up with the right people for your volunteer time.

School Partnerships

Recently, the farm teachers at Holly Hill have helped launch a new cafeteria compost collection at the Cole School in Norwell. The cafeteria chefs and staff are collecting the refuse from their kitchen preparations, and the Kindergartners and grade 5 are helping to haul it out to their new garden compost bins. Soon finished compost will be ready to sustain the garden. This week, the teachers welcome back the 1st and 2nd graders from the South Shore Charter Public school for their weekly visits to the farm and to cultivate their garden. Spring is upon us as the teachers at the farm will also site some new, exciting garden locations at four public schools in Quincy. Now is the time to plant, grow and prepare the good earth for some edible, educational produce.
