April 26, 2017

Vol. 4, Issue 3

FROM THE EXECUTIVE DIRECTOR

The last week of April is a busy one for all of our students. However, the students who are the most occupied are the members of our senior class. Monday was the last day of regularly scheduled classes. Seniors are now participating in two days of Senior Debates, while tomorrow and Friday bring final exams. It's an event packed week for the senior class, and our students continue to demonstrate maturity and academic accomplishment as the week progresses. For the faculty, this week serves as a reminder of how proud we are of the wonderful young people they have grown into and how much they have accomplished.

Another accomplishment we look back upon is our work in the Learning Services department. The Shore Charter Public School is now completing its fourth year as a Model Demonstration School. This program was designed by the Massachusetts Charter Public School Association (MCPSA) to provide in-school training and support to charter schools seeking to building capacity to support students with disabilities and English Language Learners. These supports are developed to be part of teaching methodology and targeted practices to support all students. When we began as part of this initiative, we first looked at our student support teams to identify strategies to help all students. This led to a restructuring of school-wide Focused Instructional Time (FIT) to be more inclusive and academically supportive. The student support team also worked on identifying and codifying the current practices across all the levels to establish a base line of instructional methodology with an eye toward improving learning practices school wide.

For four years MCPSA has been working with the South Shore Charter School to continue this close look at the structure and system of our inclusive practices. As a Model Demonstration School we have been assigned a coach who facilitates on-site coaching sessions and assists with making sure the team is making progress toward the goal. In October 2015, the team members met with school coach Sheldon Loman from Portland State University to identify areas of growth for the school. teachers, both regular educators and members of the learning services team, have been focusing on their practice by looking through the lens of our special populations. We continue to learn and share about the increasing areas of support; Applied Behavior Analysis, Autism Spectrum Disorder, Behavior Analysis, English language education, Inclusion Practices, Language-based learning disabilities, Positive Behavior Interventions and Supports, Response to Intervention (RTI), Social Emotional Learning and Universal Design for Learning (UDL). Through this initiative, we have been able to share our experiences, perspectives, and unique approaches with other charter schools throughout Massachusetts.

The work as a Model Demonstration School has been demanding. Our school has a designated Model Demonstration School team who are consistent members in the program. This year our team is on Level III. The team attends coaching sessions and each member serves as a facilitator throughout the school to work on school-wide goals targeted to meet the needs of every student. As a working team, our school reflects and offers feedback on learning. Once these efforts have been documented, our working team shares elements of our work with other charter schools. This has included school visits, Community of Practice meeting presentations, document sharing, and some school-to-school consultation.

As early on-boarders of this initiative, we have been able to see the growth in the program. We are now part of a network of nineteen charter schools. These schools are listed as follows.

Academy of the Pacific Rim	Boston Collegiate	Bridge Boston
Edward M. Kennedy	Helen Y Davis Leadership Academy	Hill View Montessori
Marblehead Community	Roxbury Prep	Collegiate Charter School of Lowell
Baystate Academy	Boston Prep	Lowell Community
Excel Academy	Hilltown Cooperative	Veritas Prep
Pioneer Valley Performing Arts	Sizer School	

Within this update you will also find some important information on an upcoming guest speaker. The South Shore Charter Public School’s Inclusive Parent Advisor Council (InPAC) has been working very hard this year to host meaningful sessions to help parents support their children in navigating challenges they face during the school year. InPAC has embraced our school’s desire to continue to support and enhance the inclusive practices at SSCPS. One area that InPAC members have identified as a common struggle for parents is supporting their children as they work through executive functioning challenges. InPAC is pleased to announce a session hosted by Dr. David Murphy on May 9th from 6:00-8:00 pm at the new High School, 700 Longwater Drive. Dr. Murphy is a Special Education Teacher and the founder of Effective Effort Consulting. He takes a holistic and team based approach to help clients overcome challenges associated with Executive Functioning. You can find more information on David Murphy at www.effectiveeffortconsulting.com. Admission is free and open to all SSCPS parents. I hope you are able to attend this very worthwhile presentation.

Level I Pod Raising Funds for Heifer International

Sheina's pod is organizing a rummage sale to raise money for Heifer International.

The sale is scheduled for Friday, May 12th from 3:30-5:30 p.m. in the back playground area.

So ... if you've been thinking about cleaning out your attic, basement, or that hall closet that is overflowing with stuff, now is the time to do it! We are looking for gently worn clothing, shoes, toys, and small knickknacks. Please have your donations in by **Friday, May 5th**. There will be a box for rummage sale items at the Front Desk.

School Lunch

Children need healthy meals to learn. The South Shore Charter Public School offers healthy meals every school day. Your children may qualify for free meals or reduced price meals. If your children were eligible for free or reduced meal benefits last year, this does not automatically qualify your family for benefits this academic year. Your family **MUST** complete a **NEW** application and return it to Charlene Evans, Food Services Coordinator. [Click here for the application for free or reduced price meal benefits.](#)

If your family has been notified that you are eligible for free or reduced priced meals **this** academic year, your family will **still** need to complete a lunch and/or breakfast order form each month for each eligible child.

FROM THE HEALTH OFFICE

Reminder: If your child has a fever of 100 degrees or higher, they are to remain home until they are fever free for 24 hours without taking medication.

Donations Needed: If anyone is doing some spring cleaning, the nurse's office is in need of clothing donations for girls. We are looking for used girl clothing with elastic waistbands. In need of leggings, capris, shorts, T-shirts for all sizes 5- Youth XL or Small/Medium Adult (for teens). Please try to wash and return clothes that your child wears home.

COMMUNITY SERVICE OPPORTUNITIES

Time To Clear Out Those Bookcases!

Shannon Daly in grade 9 is collecting slightly used or new books for children ages 2 to 14 whose parents are students at the Adult Learning Center in Brockton. Each year, all the adult learners and their children are invited to come and choose books that they can take home to create an at-home library. The Learning Center relies on donations from community members to make this giveaway possible, a lot of the time this is the only way they receive books. The collection box is located in the front lobby at 100 Longwater and any donations would be greatly appreciated. For larger donations please contact Shannon Daly at: shandewi@hotmail.com

Support our Troops!!

Shannon Daly is working in collaboration with her Civil Air Patrol Squadron in Plymouth to collect much-needed and appreciated necessities and reminders of home for our troops overseas. We are sending to 21 Medevac soldiers from the C/3-126 Aviation deployed to Iraq and Kuwait. We still have the AF unit from the Cape. Also Cadet Second Lieutenant Timothy Bourque's cousin, SPC Jacob Hultman is deployed to Kuwait and former Pilgrim Cadet Tom Lentini is still in Okinawa. These Valiant Troops are the recipients of this collection. When they receive these packages and letters from home, it lifts their spirits and lets them know we are thinking of them, and appreciate their service. Many service members deployed do not have people from home to motivate and support them. This is an awesome opportunity for us to show our gratitude for their service! There is a list of their needs and requests in this notice, and on the collection boxes located in the lobbies of both school buildings as well as pictures of the troops you can check out! For more information about donations, or CAP please contact Shannon Daly at Shandewi@hotmail.com

Level II Student Collecting Donations for Cat Shelter

Fisher Roman loves cats. LOVES them. He recently adopted a homeless cat from the local animal shelter. While he was at the shelter, he noticed all the cats that don't have homes. There were LOTS. So, to help the homeless cats in his town of Hull, Fisher is collecting cat food & cat litter and donating it to the shelter (called the Hull Seaside Animal Rescue). If you would like to help the cats and kittens who don't have homes, you can bring in a can or bag of cat food or cat litter and drop it off in Fisher's Cat Box in Nicole's Pod on Level 2. You can drop off your donations from now until the last day of school. Meow! (That's "Thank You!" in Cat Language)
