

FROM THE 5-12 PRINCIPAL

Over the weekend a parent of a student from the class of 2015 emailed me to share one of her son's college successes. To the email she attached some written feedback that her son's English professor provided following an oral presentation. The professor praised the student's ability to engage his audience, his comfort level, his confidence, and his ability to maintain eye contact. The former student shared with his mother that in his college experience his peers do not have the presentation skills that he learned at SSCPS. It is always wonderful to hear that our graduates are doing well and that they feel prepared for the challenges of college. This email was particularly well-timed as our seniors recently wrapped up their academic requirements with the completion of Senior Debates at the close of April. Our end-of-year presentations, an important step toward college readiness, are underway in both of our buildings.

Senior Debates are an important rite of passage at our school. Our students look forward to the debates as one of the last steps on the road to graduation. The debates provide students with experience presenting, supporting, and developing arguments in front of an audience. Our students worked in teams to research a topic and develop contentions supported by evidence either in support of or against a resolution of the group's choosing. It is one of the last SSCPS experiences our students have of

presenting to an audience. Some of our graduating seniors began this journey with their first Exhibition of Mastery on Level I.

The debate preparation process began several weeks ago, with Ethics classes devoting some time each week to this work. Students looked to current events and to the Ethics curriculum for possible topics and voted on a focus for their class. This year's resolutions were:

Resolved: In the United States criminal justice system, minors should not be tried as adults.

Resolved: The cost of a college education outweighs the benefits.

Resolved: Direct popular vote should replace the Electoral college when selecting the President and Vice President of the United States.

Once each group selected their resolution, students wrote a research paper on the topic to develop background knowledge on the subject. Students were assigned teams and were randomly given a side to argue. The next steps required students to spend significant time negotiating the dynamics of their group as they determined strategy. Often students must defend positions that they do not personally hold and try to persuade an audience to believe something that they themselves do not believe. This is a unique challenge.

The debate has two stages with teams constructing their arguments in a first round and responding to their opponents in the second stage. Students are able to prepare their points for the constructive segment ahead of time, but must quickly develop their argument for the rebuttal while their opponents are speaking and with only a brief consultation with their teammates. The debate is scored by a panel of judges who rate each student on the

development of their argument, use of clear reasoning, and appropriate citation of sources as well as presentation skills such as appropriate eye contact, posture, and intonation.

The Senior Debate is a deeply embedded tradition at SSCPS, as it has been an exit standard since the founding of the school. Early on, the Senior Debate was incorporated into our Ethics course, another graduation requirement. The debate, always focused on ethical questions, is a natural fit with the Ethics curriculum that requires students to read, discuss, and question. Our students did an outstanding job meeting this requirement through their debate performances. They demonstrated strong research skills, confidence presenting in front of a large audience, and facility working in groups. Our graduating seniors will have one last opportunity to present in front of an SSCPS audience when they share their Senior Projects to the underclassmen and to the faculty on Friday, May 26th.

For our K-11 students, Exhibitions of Mastery are underway. Students are hard at work developing and conducting science experiments, researching, writing, creating trifold boards, and perfecting PowerPoint presentations. The skills that our twelfth grade students display is made possible by this work and the work that their teachers and parents put into supporting those EOM presentations in the years leading up to that culminating Senior Debate performance. We know that this work is not easy. As you help your children put their final touches on their projects please know this work is vital not only to K-12 success, but to the challenges that face our students when they leave SSCPS. Thank you for all you do to support our mission. Please don't hesitate to contact me with questions or concerns.

THANK YOU!

On behalf of the South Shore Charter Public School community I would like to thank all who contributed to and participated in our annual auction last Friday evening. The night was a tremendous success and we could not have accomplished so much without so many hands on deck. We had many generous donations from members of our school community; families, faculty, and friends. Without so many generous donations and participants, we would not be able to raise the funds we need to meet the academic interests of all our students.

Each year the student artwork and classroom projects made the evening feel like a night out at a museum. Never has this been more evident than last Friday evening. It is hard to believe that so much talent can be harnessed into a single piece of art.

Our parent volunteers did a wonderful job putting this evening together and making it a night to remember. A tremendous thank you to the entire Auction Committee, Leslie and Paul Alden, Russ Bowles, Charles Dannison, Peter Farrell, Nicole Franklin, Annette Golden, Caitriona Hollowed, Yeemay Miller, Kathy Muse, Korey Nannarone, Mary Oxner, Justina Pettinelli, Kendra Polefka, Naomi Preble, Marla Purciello, Theona Royer, Christina Sheehan, and Eileen and Bruce Wainwright.

A very special thank you to our sponsors, donors, faculty, and students:

Level III Child Development Project

Congratulations to the 5th and 6th graders of the Child Development Project. They recently received their babysitting certificates from the American Red Cross.

A special thank you to Christine Bodnar for teaching the course over the past few months.

Level IV's A Healthy You Project Hosting Angry Birds Movie Night!

The Level IV Project will be hosting a Level I and Level II movie night Thursday May 18th from 3:30-5:15. The cost is \$3 per student which will include a juice box and popcorn. Please fill out the permission slip and send in along with the money to pod teachers if interested. Paracord bracelets will also be on sale for \$3 each at the event. All proceeds will go towards the Level IV field day at the end of the year.

LIBRARY NEWS

With the assistance of our stellar IT staff, we have successfully converted our library collection to *Gibbon*, a new cataloging software program. *Gibbon* now enables us to better manage our collection, track books and users, and keep the collection current. We are currently processing *overdue notices*. If your student receives an overdue notice, please help them locate the book at home. If you believe that they have returned the item, please make a note on the notice and return it to their pod teacher. It is possible that the book was not scanned back in (and therefore on the shelf), and your note will help us look for it. Many thanks for your understanding during this transition, and we apologize for any errors. If you have questions, please don't hesitate to contact Bev Bruce (bbruce@sccps.org or x336) or any member of the Library Committee.

Thank you! The Library Committee~

DEVELOPMENT NEWS

This past Friday we celebrated our Annual Auction and successfully raised \$48,660 for the South Shore Charter Educational Foundation. Congratulations to all of you for collectively helping out, working together, and making things happen here at SSCPS. To think that over 200 people came out in pouring rain to celebrate our school is just awesome!

Hard work pays off. The classroom art projects from the pods and workshops raised a total of \$4,647. All of the many donations from parents, businesses and friends brought in \$17,931, and the live auction brought in \$13,275.

Thank you for helping us make this the most successful auction yet. We are so close to reaching our goal of \$50,000, so we are leaving our online site up for two additional weeks. Please consider making a curriculum based donation here. Every dollar counts! <http://sscef17.gesture.com/>

Congratulations and thank you to Bob and Karen Greene who won the 50/50 raffle. The raffle brought in \$3,610 to SSCEF so we thank you to everyone who participated.

A special thank you to Leslie Alden, Charles Dannison, Caitrona Hollowed, Korey Nannarone, Mary Oxner, Justina Pettinelli, and Naomi Preble for taking volunteerism to a new level.

COMMUNITY SERVICE OPPORTUNITIES

Time To Clear Out Those Bookcases!

Shannon Daly in grade 9 is collecting slightly used or new books for children ages 2 to 14 whose parents are students at the Adult Learning Center in Brockton. Each year, all the adult learners and their children are invited to come and choose books that they can take home to create an at-home library. The Learning Center relies on donations from community members to make this giveaway possible, a lot of the time this is the only way they receive books. The collection box is located in the front lobby at 100 Longwater and any donations would be greatly appreciated. For larger donations please contact Shannon Daly at: shandewi@hotmail.com

Support our Troops!!

Shannon Daly is working in collaboration with her Civil Air Patrol Squadron in Plymouth to collect much-needed and appreciated necessities and reminders of home for our troops overseas. We are sending to 21 Medevac soldiers from the C/3-126 Aviation deployed to Iraq and Kuwait. We still have the AF unit from the Cape. Also Cadet Second Lieutenant Timothy Bourque's cousin, SPC Jacob Hultman is deployed to Kuwait and former Pilgrim Cadet Tom Lentini is still in Okinawa. These Valiant Troops are the recipients of this collection. When they receive these packages and letters from home, it lifts their spirits and lets them know we are thinking of them, and appreciate their service. Many service members deployed do not have people from home to motivate and support them. This is an awesome opportunity for us to show our gratitude for their service! There is a list of their needs and requests in this notice, and on the collection boxes located in the lobbies of both school buildings as well as pictures of the troops you can check out! For more information about donations, or CAP please contact Shannon Daly at Shandewi@hotmail.com

Level II Student Collecting Donations for Cat Shelter

Fisher Roman loves cats. LOVES them. He recently adopted a homeless cat from the local animal shelter. While he was at the shelter, he noticed all the cats that don't have homes. There were LOTS. So, to help the homeless cats in his town of Hull, Fisher is collecting cat food & cat litter and donating it to the shelter (called the Hull Seaside Animal Rescue). If you would like to help the cats and kittens who don't have homes, you can bring in a can or bag of cat food or cat litter and drop it off in Fisher's Cat Box in Nicole's Pod on Level 2. You can drop off your donations from now until the last day of school. Meow! (That's "Thank You!" in Cat Language)

SCHOOL PARTNERSHIPS

Recently, the farm teachers have been busy transplanting celery into the education garden for school kids to enjoy. We also have been teaching at afterschool programs in Hingham at the East and Plymouth River schools. Soon, we will plant more potatoes at the Jenkins School in Scituate and carrots at the Osgood School in Cohasset. Now is the time to sow those seeds.
