

FROM THE EXECUTIVE DIRECTOR

As the day's temperature looms near ninety degrees, it becomes increasingly apparent that the "home stretch" of the school year is rapidly approaching. This week students are taking the math MCAS and laptop carts ready for this online assessment may be found on Levels II, III, IV, and at the high school. The MCAS is no small endeavor and our students have risen to the challenge. I would like to thank all of our families who have laid the groundwork for these testing days. What happens at home is important; please know that all you do to ensure your child is ready to learn each day makes a difference.

Last week marked the second and final week of AP testing. If your child is taking one or more AP exam, you know the results are important. Those students who receive a score of three, four, or five on the exam may be able to use the AP course for college credits. Our high school students should be commended for completing this rigorous coursework and doing their best.

Included in this week's update is the list of college acceptances for members of the senior class. This impressive list is the result thoughtful planning and hard work. Few children are able to reach their dreams alone; behind each college acceptance is a supportive family who stood by their child during late nights, long weekends, and interesting mornings. Now is the time to enjoy all that your children have accomplished. A special thank you is due to those family members who, in working with our guidance counselor, Mary Carter, as well as our faculty and staff, were able to assist our seniors in reaching high and succeeding.

I would like to also thank all who took the time to complete the Annual SSCPS Parent Satisfaction Survey. The results of the survey have been recorded and are [attached](#) for your review. Of the 493 families we have this year, we received 114 responses. This is a good response, yet fewer than last year's 166 responses out of 372 families. Last year we had forty more responses than the 2015 survey. We believe that last year's increase in survey participation was a direct result of the upcoming school expansion. This year has been our first year of significant enrollment growth. We have used all data gleaned from last year's report to assist with determining the direction of our programming, school culture, and expansion priorities. Overall, we are pleased with how the increase in our student population has occurred. However, there are some challenges that come with growth. These challenges have been learning opportunities throughout the year.

This year, we have used the survey feedback as another data point as we plan for our growth over the next three years. One need that stood out was the importance of improving our technology. Another articulated need was the importance of improving our facilities. On our wish list are a second larger gym, athletic fields, and more outdoor space. Last Thursday evening, the Board of Trustees reviewed the survey results and we will be using these results once again to inform much of the discussion over the summer. Your input is essential to our growth and sustainability and we welcome any additional thoughts you may have.

Thank you again for being a part of the South Shore Charter Public School. We could not be all that we are without you.

ANNOUNCEMENTS

History came alive this month when Level III welcomed Denis Cormier, Commander of the 7th Massachusetts Regiment, to SSCPS to run a hands-on history program on the American Revolutionary War. Students listened to the tales of the Revolution, tried on soldier uniforms and touched authentic 18th century artifacts. It was a very fun and educational experience!

WHAT'S HAPPENING IN WORKSHOPS AND PROJECTS?

Level IV's A Healthy You Project Hosting Angry Birds Movie Night!

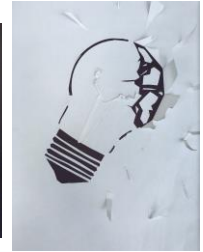

The Level IV Project will be hosting a Level I and Level II movie night Thursday May 18th from 3:30-5:15. The cost is \$3 per student which will include a juice box and popcorn. Please fill out the permission slip and send it in along with the money to pod teachers if interested. Paracord bracelets will also be on sale for \$3 each at the event. All proceeds will go towards the Level IV field day at the end of the year.

ART NEWS

Annually, the **University of Massachusetts** in conjunction with **Mass Art** sponsor **Art All State**. This is a program that is offered only to juniors across the state. Up to two students can be nominated by their high school. The students must submit a portfolio and be interviewed by a panel of professional judges. Winners spend the weekend at UMass Dartmouth in intense, group centered workshops lead by professional artists. . This year both our applicants, **Zoe Childs** and **Nicole Rousseau** were selected to attend which is a great honor and nod to our Visual Arts Program. The program begins on Friday, June 9 and runs through to Saturday evening, June 10th. Below is a sampling of the portfolio pieces the students submitted.

DEVELOPMENT NEWS

SOUTH SHORE CHARTER
EDUCATIONAL FOUNDATION INC.

Annual Fund Giving is at \$33,575 to date. Thank you to all who have contributed. The Annual Fund pays for operating expenses, Projects and Workshop expenses, as well as music, arts, and athletic programs. We need your help to sustain these vital programs! Please make your fully tax deductible contribution today. Mail your donation to: SSCEF, P.O. Box 512, Accord, MA, 02018, or drop off a check in the envelope at the Front Desk, or [Donate Now online](#). Thank you for your continued support!

Save the date for Tuesday, June 20th for a fun night out at a Brockton Rox game! SSCPS has reserved 200 seats behind home plate and we'll have some special appearances during the game. Tickets are \$10 each and are collecting at the front desk. Please fill out the flyer (in this update) and hand in your fee in advance. Tickets will be distributed at the box office the night of the game. Invite friends and family and sign up today!

Shop on Amazon? Link your amazon smile account to the South Shore Charter Educational Foundation. It takes a minute and is easy money for our school. We just received a check for \$81.90 so thank you!

SSCPS Spirit Wear. T-shirts are available for the warm weather, so contact Laurie Dannison or Karen Boyle at the front desk at 100 Longwater Circle.

COMMUNITY SERVICE OPPORTUNITIES

Time To Clear Out Those Bookcases!

Shannon Daly in grade 9 is collecting slightly used or new books for children ages 2 to 14 whose parents are students at the Adult Learning Center in Brockton. Each year, all the adult learners and their children are invited to come and choose books that they can take home to create an at-home library. The Learning Center relies on donations from community members to make this giveaway possible, a lot of the time this is the only way they receive books. The collection box is located in the front lobby at 100 Longwater and any donations would be greatly appreciated. For larger donations please contact Shannon Daly at: shandewi@hotmail.com

Support our Troops!!

Shannon Daly is working in collaboration with her Civil Air Patrol Squadron in Plymouth to collect much-needed and appreciated necessities and reminders of home for our troops overseas. We are sending to 21 Medevac soldiers from the C/3-126 Aviation deployed to Iraq and Kuwait. We still have the AF unit from the Cape. Also Cadet Second Lieutenant Timothy Bourque's cousin, SPC Jacob Hultman is deployed to Kuwait and former Pilgrim Cadet Tom Lentini is still in Okinawa. These Valiant Troops are the recipients of this collection. When they receive these packages and letters from home, it lifts their spirits and lets them know we are thinking of them, and appreciate their service. Many service members deployed do not have people from home to motivate and support them. This is an awesome opportunity for us to show our gratitude for their service! There is a list of their needs and requests in this notice, and on the collection boxes located in the lobbies of both school buildings as well as pictures of the troops you can check out! For more information about donations, or CAP please contact Shannon Daly at Shandewi@hotmail.com

Level II Student Collecting Donations for Cat Shelter

Fisher Roman loves cats. LOVES them. He recently adopted a homeless cat from the local animal shelter. While he was at the shelter, he noticed all the cats that don't have homes. There were LOTS. So, to help the homeless cats in his town of Hull, Fisher is collecting cat food & cat litter and donating it to the shelter (called the Hull Seaside Animal Rescue). If you would like to help the cats and kittens who don't have homes, you can bring in a can or bag of cat food or cat litter and drop it off in Fisher's Cat Box in Nicole's Pod on Level 2. You can drop off your donations from now until the last day of school. Meow! (That's "Thank You!" in Cat Language)

SCHOOL PARTNERSHIPS

Recently, the Holly Hill Farm teachers have been dodging rain drops and staying warm, as we have planted potatoes at the Jenkins School in Scituate with first graders. We discussed where the potato seed comes from and how many potatoes we think the new plant will make. We also went to Derby Academy to sow lettuce seeds and transplant celery and planted potatoes at the Murphy School in Weymouth. Soon we will venture to the Flaherty School in Braintree to heel in some summer crops like tomatoes and squash. We also have plans to grow potatoes with grade 4 at the Wampatuck School in Scituate. Plant on, all ye hardy, young farmers!
