

FROM THE 5-12 PRINCIPAL

On Saturday, June 3rd, we celebrated our newest class of South Shore Charter Public School graduates at our 22nd commencement. The end of the year is full of exciting events and milestones for our students but commencement is what all of us, K-12, are ultimately working toward. Graduation at South Shore Charter Public School truly is a celebration of our entire community and it is the culmination of many years of hard work on the part of students, families, and teachers. This was clear on Saturday. At our ceremony any Senior who chooses to do so may speak. This year Emma Goldberg and Evan Whitemyer took that opportunity. Both students did a terrific job of explaining what our school and the faculty of our school has meant to them.

Saturday's graduation marked an important milestone for our school. This was the first graduating class without a history in Hull. The nine students who have been with us for thirteen years and graduated on Saturday were the first ever Kindergarteners on our Norwell campus. Our newest graduates were also the first group to enter their senior year in our new high school space at 700 Longwater Drive. These students were instrumental in facilitating a smooth expansion in our high school. Students from this class contributed their expertise and were leaders throughout the process of expansion. They helped us to design our new space and to acclimate students new to our building. They have helped to shape our school and will be sorely missed. Our newest graduates are now ready to take on the next stage in their lives. In their time with us they developed the skills that they need for continued success in academics, service, and life. Our community is incredibly proud.

Graduation is the culminating event in a busy Senior season. In order for Senior events and graduation to run smoothly, many people put in a great deal of hard work. The entire faculty deserves recognition for the time and effort that they put not only into preparing our students, but into celebrating their accomplishments. I'd like to thank Mark Flanagan and David Griffith for their work to make sure that the event spaces were prepared, beautiful, and comfortable. Pam Alger, who is behind the scenes of all SSCPS events, deserves thanks for her extensive work on the graduation details from invitations to diplomas. Finally, I'd like to extend a special thank you to Mary

Carter, our Director of Guidance, for her orchestration of Senior Project, prom, Senior Dinner, and graduation. Most importantly Mary worked tirelessly all year with our Seniors to guide them through the college application process.

With graduation behind us we are now in the final days of the school year with many events, trips, and celebrations planned to help launch our students into the summer. Please pay careful attention to the calendar. As always, please do not hesitate to contact me with questions or concerns.

ANNOUNCEMENTS

Calling all bakers, cooks and purchasers for our Annual Teacher/Staff Appreciation Luncheon

The luncheon will take place on Monday, June 19th. This is the half day before the last day of school. We will need main dishes, side dishes, salads, desserts, drinks and paper goods.

If possible, please try to drop off your item in the morning at drop off. This helps save time in the afternoon. You may also drop off any items at dismissal, especially if it is a hot item, since there is no way to reheat food, although Crock-Pots can be dropped off anytime. Please be aware that school will be ending the next day so you will need to retrieve your cookware before leaving for the summer.

We will also have people at the circle from 11:30am on, so you may drop off your item and jump right in the pickup line.

The luncheon hosts about 100 faculty/staff members, and they love and appreciate the assortment of food that is sent in by our families. They always express their sincere appreciation to everyone. If you would like to donate or volunteer, please contact me directly at decjec@yahoo.com.

Thank you in advance for your generous donations. They are greatly appreciated.

Danette Carter (Mom to Izzy, Level IV and Sam, Level III)

FROM THE LIBRARY COMMITTEE

Online Summer Reading Book Fair/Library Fundraiser: May 30th- June 8th

It's never too early to think about summer reading! Here is an opportunity for your student/s to get a jump start on their summer reading. Instead of a "cash and carry" book fair at the spring concert, the SSCPS Library Committee in partnership with *Storybook Cove* in Hanover Mall is hosting an online book fair. The fair offers families a **10% discount and no tax**, and the event provides funding to benefit the Library.

Books will be delivered to your students in pod by June 15th or 16th. The online fair and discount to SSCPS families will run only from Tuesday May 30th and end on Thursday June 8th.

Here are the steps to place your order and support our school.

1. Log in to Storybook Cove: www.storybookcove.com.
2. Scroll down and click on the blue "Book Fairs" link to access the SSCPS Summer Reading fair.
3. Locate your student's grade for the 2017-18 school year to view the required and optional texts, and more information about each title.
4. Place your order by adding titles to the Cart.
5. At checkout, enter **Coupon Code SSCPS2017** to receive the **10% discount**.
6. In the Tax Exempt line, enter 000000000 and the school name SSCPS.
7. Pay using a credit card and select "pick up at store" as shipping choice. **However, the books will be delivered to your child at school.**
8. If you have not ordered from Storybook Cove in the past, you will need to set up an online account (as you would with other online vendors.)

Questions? Email or call Bev Bruce (bbruce@sscps.org, x336) or call Storybook Cove (781-826-6060). Happy Reading!

WHAT'S HAPPENING IN PROJECTS AND WORKSHOPS?

The **high school's Theater Workshop** is putting on a show on June 9th consisting of four one-act comedies, including two student-written plays. The show will run from 6:30-8:00 PM in the high school's great room, and entry will be free. Audiences are suggested to be 13 or older due to strong language and thematic elements.

The **Level IV Children's Literature Project** is selling an original children's book, Wally Helps Out. The book was written, illustrated, edited, and funded by the students in the Project. The price of the book is \$3 and they can be purchased from Katie A in room 110. There is limited availability; first come, first serve!

The **Level III Cultural Performance Project** will be putting on its end-of-the-year show this Friday, June 9th from 2-3pm in the school gymnasium. The project has been studying different regions from around the world this year and has chosen a few traditional dances from those regions to perform. Get ready to be wowed by traditional samba, haka, ma'ulu'ulu and hip hop dances performed by the project's own student choreographers; costumes designed and made by the project's student costume designers, and music written and performed by our own musicians! We welcome parents, teachers and students to our show! Please RSVP to ahiehiapo@sscps.org if you plan on attending so that we can plan accordingly.

COMMUNITY SERVICE OPPORTUNITIES

Time To Clear Out Those Bookcases!

Shannon Daly in grade 9 is collecting slightly used or new books for children ages 2 to 14 whose parents are students at the Adult Learning Center in Brockton. Each year, all the adult learners and their children are invited to come and choose books that they can take home to create an at-home library. The Learning Center relies on donations from community members to make this giveaway possible, a lot of the time this is the only way they receive books. The collection box is located in the front lobby at 100 Longwater and any donations would be greatly appreciated. For larger donations please contact Shannon Daly at: shandewi@hotmail.com

Support our Troops!!

Shannon Daly is working in collaboration with her Civil Air Patrol Squadron in Plymouth to collect much-needed and appreciated necessities and reminders of home for our troops overseas. We are sending to 21 Medevac soldiers from the C/3-126 Aviation deployed to Iraq and Kuwait. We still have the AF unit from the Cape. Also Cadet Second Lieutenant Timothy Bourque's cousin, SPC Jacob Hultman is deployed to Kuwait and former Pilgrim Cadet Tom Lentini is still in Okinawa. These Valiant Troops are the recipients of this collection. When they receive these packages and letters from home, it lifts their spirits and lets them know we are thinking of them, and appreciate their service. Many service members deployed do not have people from home to motivate and support them. This is an awesome opportunity for us to show our gratitude for their service! There is a list of their needs and requests in this notice, and on the collection boxes located in the lobbies of both school buildings as well as pictures of the troops you can check out! For more information about donations, or CAP please contact Shannon Daly at Shandewi@hotmail.com

Level II Student Collecting Donations for Cat Shelter

Fisher Roman loves cats. LOVES them. He recently adopted a homeless cat from the local animal shelter. While he was at the shelter, he noticed all the cats that don't have homes. There were LOTS. So, to help the homeless cats in his town of Hull, Fisher is collecting cat food & cat litter and donating it to the shelter (called the Hull Seaside Animal Rescue). If you would like to help the cats and kittens who don't have homes, you can bring in a can or bag of cat food or cat litter and drop it off in Fisher's Cat Box in Nicole's Pod on Level 2. You can drop off your donations from now until the last day of school. Meow! (That's "Thank You!" in Cat Language)
