FROM THE INTERIM K-12 PRINCIPAL

Just a glance at the school calendar makes it clear that the remainder of the school year is a frenzy of activity. Teachers are focused on working through the final units of the curriculum; Projects and Workshops are planning culminating events; and each Level has community activities, celebrations, and field trips on the horizon. During these last weeks of learning, it is important to take the time to reflect, with the aim of improving, and to celebrate the many accomplishments of our students this school year. Our students and teachers have a great deal to be proud of!

Our lives, the lives of students, parents, and teachers, are all incredibly busy. It is easy to get caught up in everything that needs to get done each day. Often, we fixate on the challenges that children face as they develop as students and navigate school, losing sight of their continual progress. The problems demand more of our attention. At this point in the school year I encourage you to take some time to talk to your child about how far he or she has come since August and to reflect on their achievements. Set aside the struggles and focus on their growth and the change. What have they learned? What new skills do they have? What new interests do they have? What new relationships have they developed? As we look forward to next year and strive to achieve more it's important that we reflect on what was accomplished and applaud it. SSCPS has a tradition of marking many student transitions with Level wide ceremonies. Please mark your calendars with the dates for the following school celebrations of student achievement.

Event	Date and Time	Location
Class of 2018 Graduation	Saturday, June 2nd at 11:00 am	100 Longwater Circle, the Hill
Level II (4th grade) Awards Ceremony	Wednesday, June 20th at 10:00 am	Level II Great Room
Level III (6th grade) Awards Ceremony	Thursday, June 21st at 8:30 am	PE Space
Level IV (8th grade) Awards Ceremony	Thursday, June 21st at 10:30 am	PE Space

The faculty is also reflecting on this school year as we work to lay the foundation for 2018-2019. Teachers are considering what they have learned and what they need to learn next. They are thinking about the strategies they have tried and the new ones they want to test. The experiences of teachers combined with feedback from families and students are essential to the work of continuous improvement. We are taking all of this into account as we consider the optimal programming, scheduling, and staffing for next school year. We will be holding Parent Coffees to provide updates for each Level and answer the questions of parents who will be new to the Level. I will be joined by the appropriate assistant principal at each meeting. Please plan on attending the Parent Coffee for the Level your child will be on next year. The dates, times, and locations are listed below.

INPAC WORKSHOPS

Positive Communication and Collaboration

Presented by: Katie Emanuel

<https://www.katieemanuel.com>

Tuesday, May 22, 2018 at 6:30pm
100 Longwater Circle, Norwell

In this seminar we will cover how to develop positive communication and collaboration skills to foster a relationship with your child's teachers and IEP team.

- **Positive communication** is the ability to express thoughts, ideas, and feelings in a way that not only conveys what you want to express, but leaves the listener wanting to learn more. Whether it is in an IEP meeting, a parent-teacher conference, or a simple email exchange with a parent or specialist, positive communication lays the foundation for collaboration.

- **Collaboration** is the ability to use positive communication skills to affect growth or change toward a common goal. Collaboration is key when establishing goals, services, accommodations, and modifications for a special needs child in the classroom. To do this most effectively, parents and teachers must collaborate. Parents and teachers can work together to create not only an IEP that serves the child best. They can also become partners in the school community.

We will talk through strategies and techniques to incorporate these tools into the special education process!

COMMUNITY SERVICE OPPORTUNITY

Hello from the Tufts Library in Weymouth. I just wanted to let you know that we have volunteer opportunities this summer in the Children's Room of the Tufts Library. We are specifically looking for kids going into grade 7 and up to man our Bead Bank. Here is a link for more information and how the kids can sign themselves up for service: <https://goo.gl/w1oXCJ> <https://www.weymouth.ma.us/teens/pages/volunteer-summer-2017>

COMMUNITY INTEREST

Wellspring

As of April 1st SNAP (food stamps) recipients and those interested in becoming SNAP recipients here on the south shore will no longer have to travel or call Quincy or Brockton for assistance. Wellspring is now a DTA Community Partner and will be able to handle all SNAP (food stamp) applications and re-certifications. We will also be able to complete interim reports and help trouble shoot any issues that arise with benefit coverage. Please direct anyone interested in this offering to Stephanie Masland: 781-925-3211 x127.

Sober Parenting Journey (SPJ). Wellspring is proudly partnering with South Shore Peer Recovery to offer this evidence supported program. SPJ is a 14 week workshop where participants meet weekly in a small group setting for 2 hours. The class is free to all participants and included complimentary childcare and dinner. Parents and caregivers in recovery face the additional challenge of building strong, positive relationships with their children while maintaining their sobriety, which can be both rewarding and daunting. Sober Parenting Journey provides a valuable source of fellowship and support and enhances awareness of potential triggers that may escalate relapse. Registration ends April 15th for this class.

SCHOOL MEALS (BREAKFAST AND LUNCH)

Children need healthy meals to learn. The South Shore Charter Public School offers healthy meals every school day. Your children may qualify for free meals or reduced price meals.

If your child(ren) was eligible for free or reduced meal benefits last year, this does not automatically qualify your family for benefits this academic year. Your family **MUST complete a NEW 2017-2018 Meal Benefit application** and return it to Charlene Evans, Food Services Coordinator at SSCPS, UNLESS you have received a notification letter from the school this academic year notifying your family of approval of direct certification of meal benefits. [Click here](#) for the application for free or reduced price meal benefits.

If a your family was notified of free and reduced meal benefit eligibility this academic year, Your family **MUST** still complete a lunch and breakfast order form for each student for each day they wish to accept a meal benefit. You are able to complete meal orders on a weekly or monthly basis.

**WELLSPRING MULTI-SERVICE CENTER &
SOUTH SHORE PEER RECOVERY PRESENT**

SOBER PARENTING JOURNEY

***Tuesdays beginning May 1st from 5:00-7:00pm
At South Shore Peer Recovery, 51 Cole Parkway, Scituate***

Parenting Journey is free and open to everyone. We work with mothers, fathers, and caregivers from all walks of life who are raising children of all ages.

SOBER PARENTING JOURNEY | PROGRAM

In Sober Parenting Journey, a small group of parents and caregivers meet for 2 hours a week for 14 weeks. The program includes activities, discussions, a family-style meal each session and complimentary childcare. Addiction is complicated and difficult to overcome. Parents and caregivers in recovery face the additional challenge of building strong, positive relationships with their children while maintaining their sobriety, which can be both rewarding and daunting. Sober Parenting Journey provides a valuable source of fellowship and support and enhances awareness of potential triggers that may escalate relapse. In a safe and caring setting, participants will explore past and present patterns of emotional regulation, compulsive thinking, and addictive behaviors that influence choices. With hard work and honesty, participants will create a new path that strengthens sobriety, accountability, and positive actions while facing the daily challenges of recovery.

This Sober Parenting Journey workshop is a Wellspring and South Shore Peer Recovery program made possible in part by HAPSA, Safe Harbor Cohasset Coalition, Hull Firefighters, Social Service League of Cohasset, Quincy Family Resource Center and Debby & John Flanagan.

South Shore Peer Recovery organizes people in recovery from all addictions, their family members, friends and allies, to put a positive face on recovery. SSPPR provides peer support, education, and advocacy opportunities; working to remove barriers to recovery; treating all with dignity and respect regardless of the pathway of recovery.

Wellspring is a multi-service organization with a mission to provide support and skills to people facing challenges to their financial, physical or emotional well-being in order to help them achieve independence and self-sufficiency.
