FROM THE K-12 INTERIM PRINCIPAL

We are incredibly lucky as a school to have a student body that is motivated to take action and make change. When our students see room for improvement on our campus, in the community, in our country, and in the world they do more than talk, they act. This spirit of action can be seen in both buildings as students work to organize service projects with the goal of helping others. We have students beginning on Level I up through the high school who are collecting and delivering toys, books, clothes, food, and supplies to people in need. They volunteer in their communities and share their talents with others. They don't just talk, they do.

The action of our students goes beyond the service aspect of our mission. Several weeks ago Joe Kay and I were approached by Nnenne David, our high school student body president, about increasing opportunities for students to discuss issues that are important to them. Several students had asked Nnenne to seek out a safe forum for difficult conversations about a variety of topics. Specifically, Nnenne mentioned several student groups that were doing valuable work that wanted a chance to share that work with the wider high school community. Following our conversation, Nnenne worked with our Black Students Union (BSU), Gender-Sexuality Alliance (GSA), and Game Change groups to design last Wednesday's Student Awareness Day.

In preparation for the day students designed nine 15 minute sessions targeting issues such as racial profiling, gender inequality, relationship violence, and stereotyping. During the sessions they engaged their peers in exercises that pushed for perspective taking, the careful analysis of situations, and the consideration of influencing factors. The sessions took a number of different formats. In some rooms students participated in skits and in other groups student leaders provided well-researched informational overviews. A number of groups debated topics or pushed students to take a stand on an issue. Our students used experiential techniques to educate their peers, share their perspectives, and engage fellow students with important issues. Students circulated with their Advisory groups from session to session and had the chance to participate in every session.

The feedback about the day was overwhelmingly positive. Students enjoyed the format, valued learning from their peers, and appreciated the time devoted to their concerns. They were pleased that their peers saw a need in the community and took steps to meet it. I'd like to thank our student leaders for all of their hard work in putting together the event and all of the student participants for their cooperation and willingness to come to the sessions with an open mind. Last week was an excellent example of students taking their voice and putting it to work. I'm looking forward to the continuing conversation to future student run initiatives throughout our school. As always, please do not hesitate to contact me with any questions or concerns.

ANNOUNCEMENTS

Calling all bakers, cooks and purchasers for our Annual Teacher/Staff Appreciation Luncheon

The luncheon will take place on **Wednesday, December 6th**. This is a half day. We will need main dishes, side dishes, salads, desserts, and drinks.

If possible, **please** try to drop off your item in the morning at drop-off. This helps save time in the afternoon. You may also drop any items off at dismissal, especially if it's a hot item, since there is no way to reheat food, although Crock-Pots can be dropped off **anytime**.

We will also have people at the circle from 11:30 on, so you may drop off your item and jump right in the pickup line. The luncheon hosts about 100 faculty/staff members, and they love and appreciate the assortment of food that is sent in by our families. They always express their sincere appreciation to everyone. If you would like to donate or volunteer, please contact me directly at debbielbundrick@yahoo.com

Thank you in advance for your generous donations. They are greatly appreciated.

PHYSICAL EDUCATION DEPARTMENT

Just a few reminders as the colder weather approaches. Please help your child to remember to bring sneakers on their P.E day so they are able to participate safely. In addition to sneakers and in an effort to be more "green", the P.E department is encouraging all students who feel they will need a drink during class to bring their own water bottles. Thank you for your help in making our classes more successful for all!

FROM THE MUSIC DEPARTMENT

Happy Holidays! I hope that your holiday season is off to a great start. As we approach December, students are preparing for our annual winter concert. This year in order to accommodate increased opportunities for students within the music department, the concert will be spread out across two days. This will ensure that all of our students, including the increased number of students participating in instrumental programs, will have the chance to perform.

All students in grades K-4 will be singing in the K-4 concert on December 14th. Students will be called to the stage to perform in three groups; kindergarten, Level I, and Level II. The concert for students in grades 5-12 will be on December 7th. For our middle school students, singing in the winter concert is 100% optional. Level III and IV students will be performing several pieces together. The children that choose to perform are rehearsing twice a week during FIT. We can accommodate class schedules so that everyone who would like to participate can. I have spoken to my students about performing and have a running list. Any additional students who would like to join the group just need to let me know. All I ask is that they try their best. The students in our band, those in our high school Strings Workshop, and those in our Music Workshop will also perform the evening of December 7th. I hope that you can join us!

COMMUNITY SERVICE OPPORTUNITY

TIME TO CLEAR OUT THOSE BOOKCASES FOR THE HOLIDAY!

Shannon Daly is collecting slightly used or new books for children, ages 2 to 14, whose parents are students at the Adult Learning Center in Brockton. Each year, all the adult learners and their children are invited to come and choose books that they can take home to create an at home library. The Learning Center relies on donations from community members to make this give-away possible, a lot of the time this is the only way they receive books. The collection box is located outside in the front lobby at the front desk at 100 Longwater and any donations would be greatly appreciated. For larger donations please contact Shannon Daly at: shandewi@hotmail.com

SHARE THE HOLIDAYS WITH OUR TROOPS!! PLEASE HELP US MAKE THEIR TIME AWAY BRIGHTER!!

Shannon Daly is working in collaboration with her Civil Air Patrol Squadron in Plymouth to collect much needed and appreciated necessities and reminders of home for our troops overseas. We have two new soldiers to send to, we are low on snacks, flavoring for water, etc. We would like to send Holiday treats. If you know any overseas soldiers to support please get his/her address and let us know. These Valiant Troops are the recipients of this collection. When they receive these packages and letters from home, it lifts their spirits and lets them know we are thinking of them, and appreciate their service.

Many service members deployed do not have people from home to motivate and support them. Shannon and CAP want to send as many boxes as possible before the Holidays, (Shipment last call dates are Nov.13th, and **Dec 4th** for the Holidays) which is a tough time to be away from home.

This is an [awesome](#) opportunity for us to show our gratitude for their service!

There is a list of their needs and requests in this notice, and on the collection boxes located in the lobbies of both school buildings as well as pictures of the troops you can check out!

For more information about donations, or CAP please contact Shannon Daly at Shandewi@hotmail.com

Travel Sized Toiletry Drive for Father Bill's Place

My name is Joshua Barone and I am a 10th grader at SSCPS. I recently volunteered and toured the Father Bill's Place and learned that new travel size toiletries are in high demand. I would like to try to help them out and would appreciate your support. I have put a box in the lobby at 700 and at 100 to collect these items and will be collecting until 12/15. I am told travel sized items are ideal because the homeless carry everything they own around with them and this makes it less bulky and easier for them to carry.

Some suggested items are: shampoo, small bars of soap, toothpaste, dental floss, chap stick, deodorant, tampons, maxi pads, lotion and toothbrushes.

Any donation would be greatly appreciated.

SSCPS Middle School

Outing Club

What is the Outing Club?

The SSCPS MS Outing Club is a club where everyone in grades 5-8 is a member. It is a parent-designed idea to provide social opportunities for SSCPS Middle School Students. The events are not school sponsored.

Why an Outing Club?

1. SSCPS is a commuter school, so students are spread out over a large geographical area, making it challenging to get together in out-of-school time.
2. Middle School students have reported feeling disconnected from childhood friends who attend their neighborhood schools and have expressed an interest in building social connections.
3. Parents want Middle School students to have social opportunities and build age-appropriate connections.

How does it work?

1. Outings are designed for students to opt-in to things they might be interested in.
2. Outings will offer a mixture of opportunities to try new things and engage in familiar options too.
3. Parents will work together to transport students and fund the outings on an outing-by-outing basis.

Upcoming Outings to look out for (announcements and forms will be posted in Weekly Updates):

Friday, December 1, after-school- 7:30 pm - [Gardens Aglow](#) at Heritage Museum, Sandwich (\$7.00/child and \$18.00 per adult, plus pocket money for snacks if desired) ([Click on this link for a sign-up form!](#))

Saturday, December 2, 8:30- 2:00 - [MIT Science on Saturdays](#) (focus: Nuclear Science and Engineering) - a visit to MIT to engage in some hands-on science experiences. Cost for SSCPS students: \$2.00 (to help pay for parking) and pocket money to purchase lunch after the event. ([Click on this link for a sign-up form!](#))

January - dates TBA - SkyZone and Movie and Pizza night

Financial Aid is available on an as-needed basis. Also, many parents are willing to carpool and help with rides - just reach out and we'll help to ensure any student who wants to participate CAN DO!

Please email Kate at sscpsoutingclub@gmail.com with questions!
