A Message from Alicia

The early days of April are ones of excitement and change here at South Shore Charter. As we look forward to traditional events including Literacy Night, Multicultural Food Night, the High School Music Workshop Beatles Concert, and the SSCPS School Fair, the role of our school community has never been more clearly defined. Working together, we can accomplish greatness building the future with each passing day.

We rely on your support in every facet of our school community. Your valuable input assists us in making essential decisions that contribute to our institutional growth. Once again, our response rate was strong. We received 224 survey responses from 703 families; a

response rate of 32% and a confidence level percentage above 90%. This is the second year where a neutral response option was added, which has altered comparative year-to-year data; yet identifiable trends are apparent. Survey results play a crucial role in informing our decision-making process each year. As this year has been one of strategic decisions, we remain grateful to all who participated.

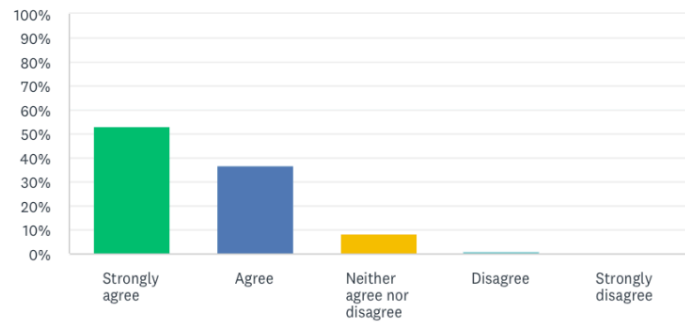

We review survey results through the lens of our mission of inspiring every student to excel in academics, service, and life. Family feedback on the academic programming offered at South Shore Charter provides the insight necessary to develop and sustain strong teaching and learning. Responses to Question 5, *SSCPS offers a rigorous academic program and curriculum that prepares students well for future learning*, are as follows:

In addition to feedback on our academic programming, data gleaned indicate how we all share some common objectives: improving classroom resources, fostering project-based learning in Projects and Workshops (Question 27), fostering a spirit of community service (Question 42), and encouraging students to work hard and achieve (Questions 35 and 41).

Projects and Workshops help students develop communication skills as observed in Exhibition of Mastery presentations.

We are encouraged that our unique educational model of project-based learning and Exhibitions of Mastery remain both strong as well as an area of ongoing development. The renewed emphasis on community service and the importance of service to others continues to resonate with our families as well. We believe that every student should be inspired to achieve their individual potential, and we are grateful for the support we receive from our families to ensure that students work hard to reach that potential.

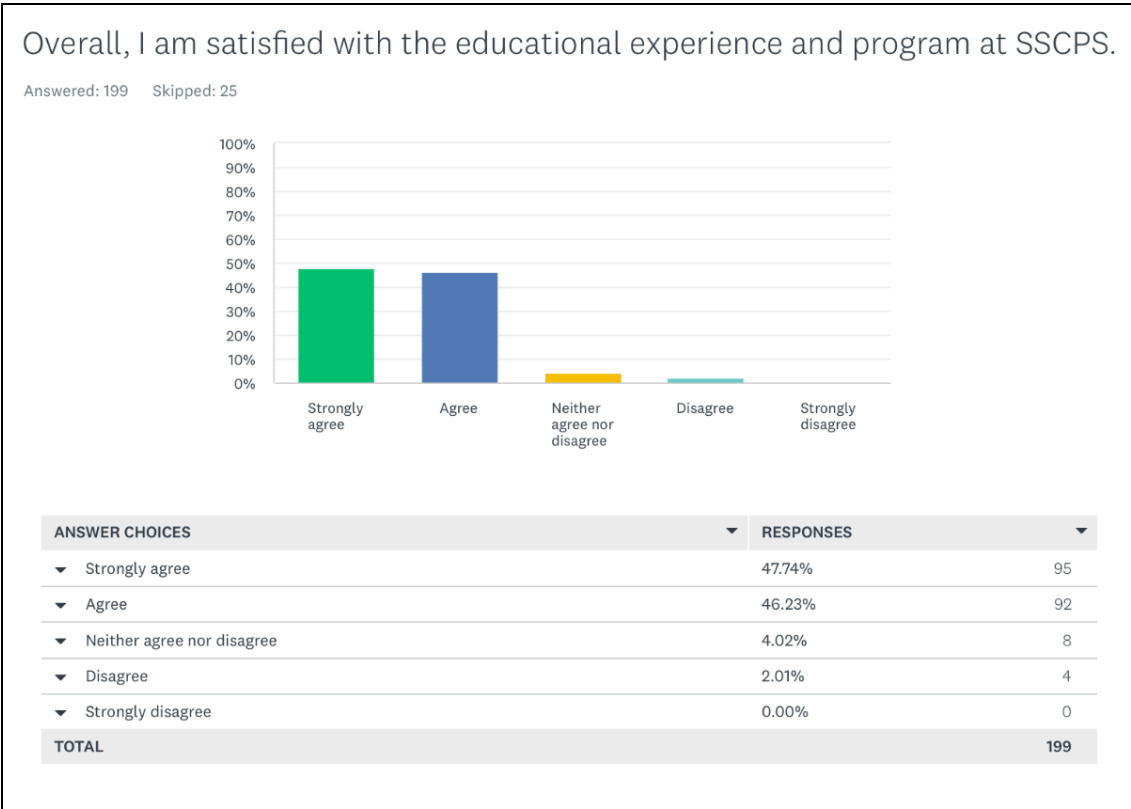

Included are questions that speak to the essence of who we are as a school community. Question 8, *SSCPS strives to nurture a respectful culture*, and Question 9, *SSCPS initiatives on diversity help to make the school a stronger community*, do just that.

For the third year, this year’s survey included an overall sliding scale evaluation of the transportation program and an area for comments. Question 25 received 202 responses. The Weighted Average for the transportation remains high at 8.78 on a 0-10 scale. 21.29 percent of families rated the regional transportation program as "Outstanding," giving it a perfect rating of 10. This top rating was the most commonly selected choice, resulting in high ratings for the program now in its third year.

Responses for Question 43, *Overall I am satisfied with the educational experience and program at SSCPS*, indicate a high satisfaction rate year after year among South Shore Charter families.

Our strongest area of growth continues to be facilities. Feedback regarding our school facilities consistently underscores the need for campus enhancements has remained consistent over the years. This year's data is no exception. Because we will be gaining additional classroom space at 700 Longwater Drive, we will be addressing some of these

challenges.

Survey results for all questions have been [linked here](#). I encourage you to review survey responses at your convenience. As always, please do not hesitate to reach out with any questions you may have. We welcome additional thoughts and questions as we plan for the enrollment and campus growth that next year will bring.

Thank you for your work building the future of South Shore Charter Public School.

PSAT/SAT Exam Updates

A message from the High School Guidance Department:

Reminder that the Digital SAT and PSAT is coming to South Shore Charter Public School on Friday, April 11, 2025. All Juniors will be taking the SAT Day Exam at school; Sophomores will be taking the PSAT 10, and students in grades 8 and 9 will be taking the PSAT 8/9. All test administrations will be digital. There is no cost to take the exam and students do not need to register for the exam - the school will take care of it.

Why are students taking the PSAT this spring?

Taking the digital PSAT 8/9, 10, and 11 offers you a chance to get familiar with the digital SAT and to practice taking the test. This can help you reduce anxiety and save time on your digital SAT test day.

Additionally, the PSAT/NMSQT can help you gauge your readiness for the SAT, so you know which areas you need to focus on in order to improve your score. Your PSAT/NMSQT score report will show you a breakdown of the kinds of questions you missed, which is useful for directing your SAT prep. For example, if you miss several Inference questions on the PSAT/NMSQT Reading and Writing section, then you may want to spend extra time going through Khan Academy's Inference videos, articles, and skill practice exercises to get better at those questions.

Also, the digital PSAT is still the National Merit Scholarship Qualifying Test (NMSQT). That means students who score well on the digital PSAT/NMSQT [may be eligible](#)

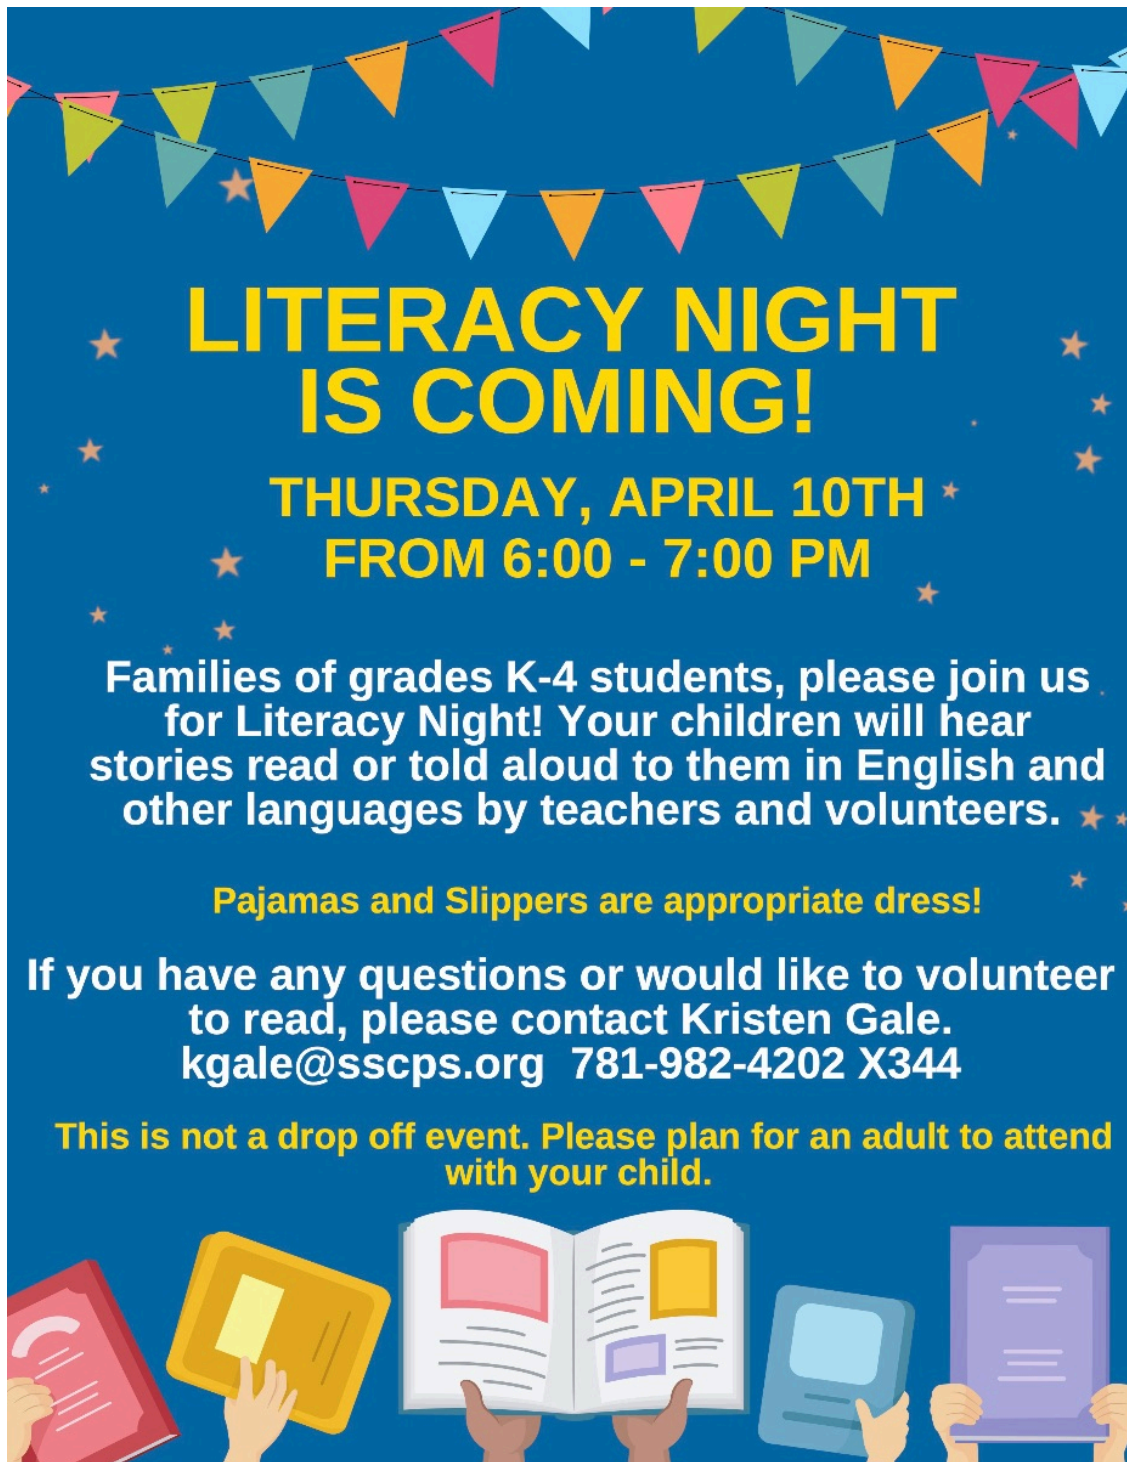

[for college scholarship opportunities.](#)

****VERY IMPORTANT - LAPTOP INFORMATION FOR DIGITAL TESTING ****

Students must have their school laptop fully charged on the day of the exam. Students cannot use a personal computer for the SAT/PSAT Day Exam. There will be limited loaner laptops and chargers.

Grade 8 Fundraising Opportunities

Eighth graders at South Shore Charter are raising money to help fund our field trips and group activities at the end of this year! We have two field trips coming up: one to Washington D.C. and one to Boston, and we'd love your support.

A number of local restaurants and businesses have upcoming fundraising opportunities in April that can help support our initiatives, from dining out or ordering from certain restaurants to spending time at activity centers with the family! Click on the flyers below for more details about the next two opportunities.

For any questions, please contact Kristen Mullin-Connolly at kconnolly@sscps.org

Celebrating 30 Years of SSCPS

CELEBRATING 30 YEARS

SOUTH SHORE CHARTER PUBLIC SCHOOL

Est. 1995

For the last 30 years, South Shore Charter Public School has been a pillar of innovation, community, and academic excellence. This school year, as we celebrate this incredible milestone, we're reminded of the power of generosity in shaping our journey and strengthening our future. **As we launch this year's 30th Anniversary Annual Fund Campaign, our goal is to raise \$50,000 and have 100% family participation.** Donations will be collected through the remainder of the school year, and you can choose which department or area of SSCPS you'd like your donation to be put toward.

Every donations makes a difference, no matter the size. Help us celebrate 30 years of SSCPS and contribute to our future successes for 30 more years and beyond!

Best Buddies at SSCPS

Last Thursday, our Transition 2 students had the incredible opportunity to attend the *Bridging the Gap to College* event at Bridgewater State University. Hosted in partnership with Best Buddies, the event offered students a firsthand look at college life, meaningful conversations with BSU staff and students, and a chance to reflect on their goals for the future.

The day kicked off with a warm welcome and school-by-school introductions, where each student group was spotlighted with a personalized slide showcasing their achievements and aspirations. Students then heard from a powerful panel featuring John Cash (Head of the Excel Program), Excel graduate and current employee Jake, and BSU President Fred Clarke. Our students asked thoughtful, prepared questions, representing their schools with confidence and curiosity.

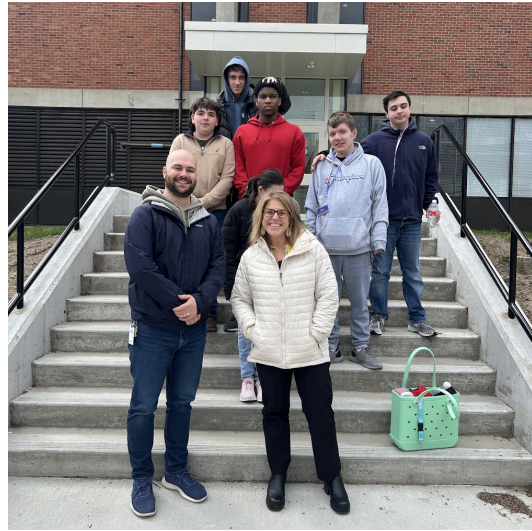

Following the panel, students worked in small groups on a vision board activity, creatively expressing their goals and career interests. A guided tour of key campus areas—including freshman dorms and the dining hall—helped students picture themselves in a college environment. The day wrapped up with lunch, a group photo, and a reflection activity.

This event was a meaningful extension of our **Pre-Employment with Best Buddies** class, which has been running bi-weekly throughout the school year with two different transition cohorts. The course provides:

- **Resume, interview, and job search skill-building**
- **Career and college exploration**
- **Personalized support and guidance**
- **Internship support for seniors**, including a successful publishing internship placement last year

As part of their capstone experience, students are exploring options like BSU's Excel Program and connecting what they're learning in class with real-world opportunities.

The day at BSU was not just a field trip—it was a glimpse into what's possible, a confidence boost, and a celebration of how far our students have come. We're incredibly proud of their engagement, teamwork, and enthusiasm!

Student of the Month

Congratulations to Owen on being Student of the Month! Owen is incredibly excited to graduate this year and is hopeful in getting a job working at a grocery store. This year, Owen has made significant progress within the Best Buddies program, he even said mentioned that the Pre-ETS workshops has helped him gain the skills needed to graduate and find a job. Owen enjoys sharing his thoughts and ideas during our lessons; he is a great classmate and an even better friend. Owen can talk to you about any video game he enjoys playing and how to beat it. Owen's favorite workshop was the team building exercise using marshmallows and spaghetti!

Afterschool Enrichment Program 2024-2025

Yoga & Mindfulness Club

In the Yoga & Mindfulness Enrichment Club, we've had an amazing time moving, breathing, and finding balance! Throughout the session, students learned the Sun Salutation I sequence, practicing how to coordinate their breath with movement. We also had a blast building our own yoga flows, with each student adding their favorite pose, and playing interactive games like Musical Mats - a fun twist on musical chairs with yoga!

Chemical Creations Club

This week, we explored the fascinating science behind lava lamps. Students were mesmerized as they observed real lava lamps, captivated by their vibrant colors and swirling movements. They then had the opportunity to create their own versions by mixing baking soda, vinegar, cooking oil, and drops of food coloring. The excitement in the room was electric as they combined their ingredients and watched the colorful reactions come to life. They even discovered that adding more vinegar resulted in a delightful eruption of colorful bubbles overflowing from their containers.

Health Office

In the coming weeks, the Health Office will be starting screenings for vision, hearing, weight, and heights. These screenings are based on grades. **If you would like to exempt your student from any or all of these screenings please email:**

K-8: Jaime Kjelgaard (Jkjelgaard@sscps.org)

High School: Barbara Folan (Bfolan@sscps.org)

Exemptions must be done annually.

Please remember if your student has a fever, vomiting, diarrhea, or an infectious illness (such as strep throat) they need to remain out of school. Students with a fever need to remain home until they are fever free with no medication for 24 hours. Vomiting and diarrhea needs to be resolved for a full 24 hours before returning to school. Students with an infectious illness need to stay out until symptoms have resolved or they have completed a full 24 hours of antibiotics.

Students go outside for recess in most weather. Please make sure that students have proper clothing to be outside. Students should also have a refillable water bottle daily.

If you have any further questions please do not hesitate to reach out to the Health Offices.
