A Message from Angie

The days in the race to the holiday break are full of activity and excitement. While teaching and learning continues, December events provide students with an opportunity to showcase their hard work, celebrate with their classmates, and build community as 2024 draws to a close. This morning, our K-2 students sang their hearts out as they performed songs that they have worked on during this first part of the year at their winter concert. Next week we will hold two performing ensemble concerts: one for the Choir, Beginning Band, Beginning Strings, and Intermediate Strings groups on Tuesday, and a second concert for the Concert Band, Concert Strings, and High School Music Workshop groups

on Wednesday. Both of these concerts will take place at Hingham High School beginning at 6:00pm.

Thanks to the hard work of volunteers from the Parents Association, tomorrow our students at 100 Longwater Circle will celebrate the success of the Raise Craze fundraiser with a dance party recess. This was the first year that the Parents Association has run this fundraiser and it has proven to be an incredible success with over \$22,000 raised to support field trip transportation, student enrichment activities, and other Parent Association initiatives. Thank you to everyone who participated; by volunteering, by helping their children to register, by encouraging acts of kindness, and by donating. Dawn Whitney and Rachel Brodeur, Raise Craze parent organizers, deserve a huge thank you for the incredible effort that they put into the fundraiser to help make it a success. Their hard work has made this possible despite the short timeline. We truly appreciate their dedication and commitment.

**RAISE CRAZE
FINAL RESULTS
FUNDRAISER SUCCESS!**

Thanks to your incredible support, we are thrilled to announce the final results of our recent fundraiser, organized by the SSCPS Parents Association!

Total Raised: \$22,557
(\$21,627 in student sponsorships + \$930 in corporate donations)

Acts of Kindness Performed: 336
Total Participants Registered: 226

This money will go directly toward field trip transportation, student enrichment activities, and Parent Association initiatives, ensuring that our children continue to enjoy enriching learning experiences outside the classroom.

A heartfelt thank you to every parent, family member, and friend who participated! Your generosity makes a huge difference in our students' education and helps make these memorable experiences possible.

Whether you donated, volunteered, or spread the word, we couldn't have done it without you. Your commitment to our school community is truly inspiring!

**STAY TUNED FOR UPCOMING FIELD TRIPS
MADE POSSIBLE BY YOUR SUPPORT!**

Volunteers will play another important role next Friday when we host our annual Craft Day, a tradition for SSCPS students in grades K-6. On Craft Day students have the opportunity to make a variety of crafts that volunteers from our community provide and monitor. Students will be able to visit different classrooms with friends from across their Level to complete crafts that are setup in each classroom. This eagerly awaited event is only possible because of the willingness of families to come in and help. Thank you to all of the parents who have committed and completed the volunteer paperwork. We already have 62 parents and 15 high school students registered to volunteer. In this case more is more, so

we are still looking for volunteers. If you are interested in participating, please sign up [here](#). If you are unable to volunteer but are willing to donate the materials needed to complete a craft there is a place on the form to indicate this. We are looking for enough materials for approximately 50 students for each craft.

Friday families will have the opportunity to discuss student achievement to this point in the year during Parent-Teacher Conferences. Families with children in grades K-4 should schedule appointments directly with their children's teachers. Families with children in grades 5-12 should use the appointment system at <https://sscps.schoolappointments.com/> to schedule conferences. Please note that the conference portal closes tonight at 11pm. This allows our teachers the time that they need in order to prepare for parent meetings.

I hope that all of you find time to relax, rest, and celebrate with family and friends over the break. I wish everyone a happy and healthy 2025! As always, please do not hesitate to reach out with any questions or concerns.

Angie Pepin
Principal, K-12

Celebrating 30 Years of SSCPS

CELEBRATING 30 YEARS

SOUTH SHORE CHARTER PUBLIC SCHOOL

Est. 1995

For the last 30 years, South Shore Charter Public School has been a pillar of innovation, community, and academic excellence. This school year, as we celebrate this incredible milestone, we're reminded of the power of generosity in shaping our journey and strengthening our future. **As we launch this year's 30th Anniversary Annual Fund Campaign, our goal is to raise \$50,000 and have 100% family participation.** Donations will be collected through the remainder of the school year, and you can choose which department or area of SSCPS you'd like your donation to be put toward.

Every donations makes a difference, no matter the size. Help us celebrate 30 years of SSCPS and contribute to our future successes for 30 more years and beyond!

On the Levels

Community Service | Levels I and II

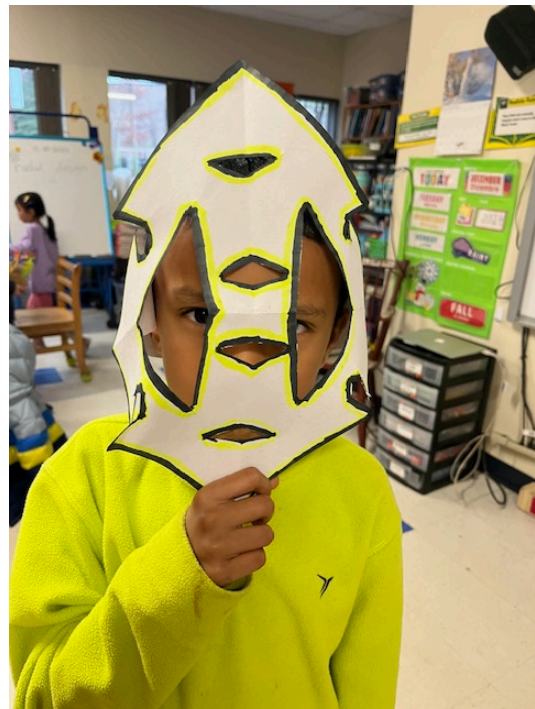

The students from Tracey's Pod (second grade) and Jenn's Pod (fourth grade) participated in a community service for Fr. Bill's & MainSpring in Quincy. Students decorated brown bags, wrote positive notes and made 100 lunches on Friday, December 6.

Winter Artwork | Level I

Pam Golden's first and second grade art students have enjoyed learning the process of creating 2-D colorful radial snowflake designs, eventually transforming their snowflakes into 3-D snowflake masks to wear!

Register for Session II by December 13th!

 The flyer is designed to look like a spiral-bound notebook. At the top left is the SSCPS logo, a circular emblem with a stylized tree and the text "SOUTH SHORE CHARTER PUBLIC SCHOOL". To the right of the logo, the text reads "SSCPS AFTERSCHOOL ENRICHMENT PROGRAM" and "SESSION II". Below this, it specifies "GRADES 3-8", "JANUARY 21ST - APRIL 3RD, 2025", "TUESDAYS AND THURSDAYS", and "TIME: 3:15 - 4:15 PM". There is a small illustration of a person holding a torch. Below the schedule, it lists "SESSION II CLUBS:" and then two columns of club names under "TUESDAY" and "THURSDAY". At the bottom, it says "REGISTRATION DEADLINE - DECEMBER 13TH 2024 REGISTER TODAY" and "GO TO SSCPS GENERAL FEES - SELECT ENRICHMENT PROGRAM". A QR code is located in the bottom right corner of the flyer.

Technology and Coding Club

"Gossip – Making Programs Talk"

Students explored the exciting world of programming conversational interactions. Students worked on a lab where they programmed two sprites to have a dynamic conversation. Starting with a provided starter code, they explored ways to customize dialogue, timing, and interactions between the sprites. This hands-on activity encouraged creativity while teaching fundamental concepts of programming communication. It was a fun and interactive session that brought coding to life!

Students also brought their creativity to the forefront by designing their own Holiday Animation projects. Starting with a provided starter code, they customized their animations by adding unique costumes, backgrounds, and interactive elements to create festive, dynamic scenes. This project allowed them to showcase their creativity while reinforcing coding skills through designing personalized holiday-themed animations. The results were both impressive and celebratory!

Exploring Interactions Through Colorful Experiments

This week, we conducted two captivating experiments that combined science with vibrant visuals!

Experiment 1: "Rainbow Milk"

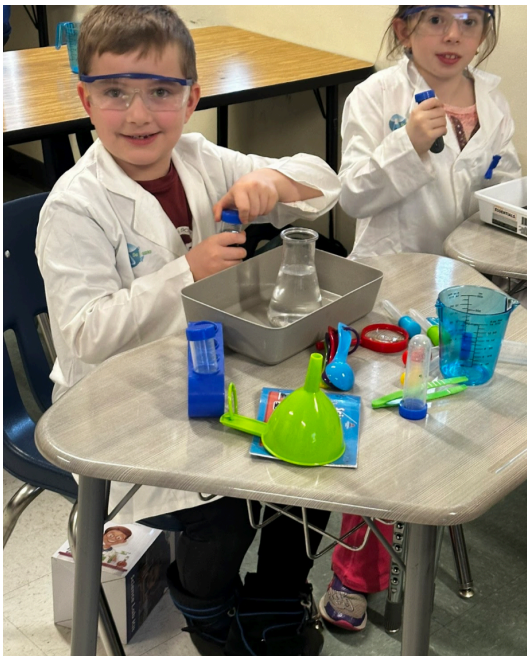

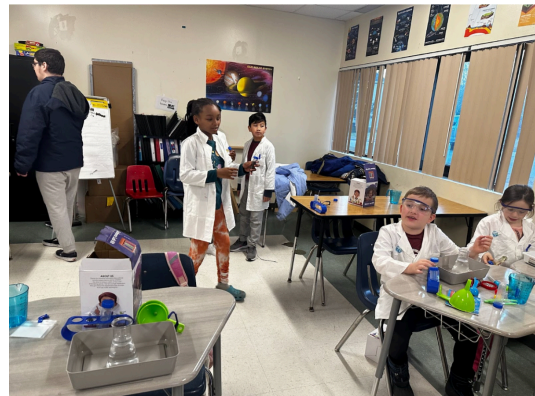

In this experiment, students added food coloring to a dish of milk and then dipped a coffee stirrer coated in dish soap into the mixture. The soap's dual nature—hydrophilic (water-loving) and hydrophobic (fat-loving)—caused the colors to swirl as it disrupted the milk's

surface tension and interacted with its fat and water. The result was a mesmerizing display of swirling colors as the soap mixed the pigments. Unfortunately, I didn't capture a photo of this experiment, but it's a simple and fascinating activity you can try at home!

Experiment 2: "Rainbow Rain"

For our second experiment, students mixed food coloring with oil and then gently poured the colored oil into a container of water. Since oil is less dense than water and doesn't mix with it, the oil floated on top while the food coloring slowly diffused into the water. This created the beautiful effect of colorful "rain" falling through the water, much to the students' delight.

The students had a great time observing how different substances interact based on their unique properties.

Other Ways to Get Engaged in Our School Community

Did you know there is more than one way to get engaged in our school community? Visit the PA website [Parent Volunteer Opportunities](#) page to learn more about the following three way you can get engaged:

1. Search through [parent volunteer opportunities list](#) – This dynamic list houses one-time and ongoing volunteering opportunities at the school.
2. Join a PA Committee – Email the PA if you want to join one of our standing committees including Outreach, Events, and Fundraising PAatSSCPS@gmail.com
3. Join the [SSCPS Connect](#) Database - SSCPS Connect is a community engagement platform that connects the skills, talents and expertise of our community members to our school's faculty, staff, and community leaders to support our mission to "Inspire students to excel in academics, service, and life." Through a comprehensive survey, we gather how individuals want to contribute, allowing school leaders to easily search and connect to the resources that exist right here in our community.

Health Office

If your student takes prescription medication during the school day, including epipens or inhalers, the medication will need to be dropped off to the school nurse by an adult. Medication cannot be sent on the bus with students. All medication needs to be accompanied by a new prescription medication form each year. Your doctor may fill out

their own medication form, an Asthma Action Plan, Allergy Action Plan, or the school's [Prescription Drug Form](#). No medication can be accepted without the proper paperwork. Parents/guardians will also need to sign the form to give permission for medication to be administered in school. Students can not bring in over the counter medication. All medication needed at school must be held in the Health Office and have the proper paperwork in order for it to be administered at school. Please check expiration dates of medication before sending it in. Medication that expires during the school year will need to be replaced before it expires. Please reach out to your school nurse if you have any questions about medications.

High School: Barbara Folan, RN bfolan@sscps.org 781-982-4201 x 182

If your student is planning on playing a school sport in the fall they must have a current physical dated within the past 13 months of the start of the sports season. Students who do not have a current physical will not be allowed to try out or participate in sports. You may submit health forms to:

K-8: Jaime Kjelgaard, RN Jkjelgaard@sscps.org 781-982-4202 x 104

High School: Barbara Folan, RN Bfolan@sscps.org 781-982-4202 x 182

Fax: 781-982-4201

Students entering K, 4th, 7th & 10th grade must submit current physical forms and vaccine records.

The K through 8 school is a **peanut/nut free** building. Please make sure you do not send your child to school with any food that contains peanuts or nuts or the label reads "may contain nuts or traces of nuts". Caffeinated beverages are not allowed in the elementary school. Please send your student to school with a reusable water bottle as the school does not provide water bottles.

Please reach out to your school nurse and teacher if your student is sick. Students who have vomiting, diarrhea, or a fever of 100 or above need to remain out of school until the symptoms or fever have resolved for 24 hours. If your student has strep throat, conjunctivitis or any other contagious illness they will need to remain out until they have been on antibiotics for 24 hours. Students who develop any of these symptoms during the school day will need to be picked up from school promptly. Please make sure your contact information with the school is up to date. Absences can be reported to attendance@sscps.org.

Level I students should have a full change of weather appropriate clothes that is kept at school.
