A Message from Mary

We are thrilled to share the highlights of our inaugural Alumni College Fair, held on Wednesday, November 27th from 10:00am - 12:00. The event brought together our accomplished alumni and our current students for a day filled with inspiration, guidance, and the power of shared experiences.

Alumni Giving Back

This year, we had 17 alumni who returned to represent their colleges and universities. From Ivy League institutions to state universities, liberal arts colleges, and technical schools, the diversity of experiences showcased was nothing short of extraordinary. Our alumni shared their journeys, from adjusting to campus life to pursuing their academic and personal passions, offering invaluable advice to our students preparing for their next steps.

A Day of Connection and Learning

The event was designed to foster meaningful connections. SSCPS Alumni manned individual tables with their college name and information, engaging in one-on-one conversations with students in the current junior and senior class. Students had the opportunity to ask candid questions about campus culture, academic rigor, and tips for college applications.

Colleges represented by the SSCPS Alumni:

Clark University

CLC Conservatory

Curry College

Dean College

Emory University

Harvard University

Howard University

Northeastern

UMaine

UMass Amherst

UMass Dartmouth

UMass Lowell

University of Connecticut

University of New Hampshire

University of Rhode Island

This event reflects the strength of the SSCPS community and the lasting connections we share. Stay tuned for more opportunities to connect and celebrate our alumni in the future!

Celebrating 30 Years of SSCPS

CELEBRATING 30 YEARS

SOUTH SHORE CHARTER PUBLIC SCHOOL
Est. 1995

For the last 30 years, South Shore Charter Public School has been a pillar of innovation, community, and academic excellence. This school year, as we celebrate this incredible milestone, we're reminded of the power of generosity in shaping our journey and strengthening our future. **As we launch this year's 30th Anniversary Annual Fund Campaign, our goal is to raise \$50,000 and have 100% family participation.** Donations will be collected through the remainder of the school year, and you can choose which department or area of SSCPS you'd like your donation to be put toward.

Every donations makes a difference, no matter the size. Help us celebrate 30 years of SSCPS and contribute to our future successes for 30 more years and beyond!

SSCPS Receives Creative Projects Grant

We are pleased to report that South Shore Charter Public School has received a grant of \$5,000.00 from the Mass Cultural Council for our Holly Hill Farm Program. As our families know, the Holly Hill Farm Project actively engages first and second graders in a comprehensive multi-grade initiative for students on Level I.

Students plant and hike on the farm, learning about water flow, animal nests, and trees. In addition to math, earth science, and ecology, this experiential learning parallels what they are reading and learning about within the new Wonders curriculum. This outdoor education program has provided students with ongoing opportunities inherent in outdoor education. Students learn life cycles by planting, including measuring, digging, placing, and covering seeds. Students learn how to garden, care for animals, and eat harvested food.

We are grateful for this support from MCC. The goal of this project is to increase experiential learning opportunities for students so that they are able to make real life connections with what they learn about in school to the world around them. South Shore Charter has increased the farm program at Holly Hill, added organic garden beds on campus, and continues to provide students with lessons on stewardship of the world. Receiving this grant from MCC is notably special as we celebrate our 30th anniversary. With this generous Creative Projects Grant from Mass Cultural Council, South Shore Charter will continue to provide hands-on, experiential learning opportunities for our youngest learners.

Chemical Creations Club

In Week 7, we conducted two exciting experiments that left the students eager for more. The first experiment showcased the fascinating properties of polymers using zip-lock bags. We filled the bags with water and carefully pierced them with colored pencils. The students were amazed to see how the water stayed contained, thanks to the bag's polymer structure forming a tight seal around the pencils, effectively preventing any leaks.

For the second experiment, we created colorful, bubbling volcanoes using baking soda and vinegar. The students were thrilled as they combined the two ingredients, watching the eruption of bubbles and foam as the chemical reaction took place, mimicking a volcanic explosion.

We can't wait for our next chemistry adventure!

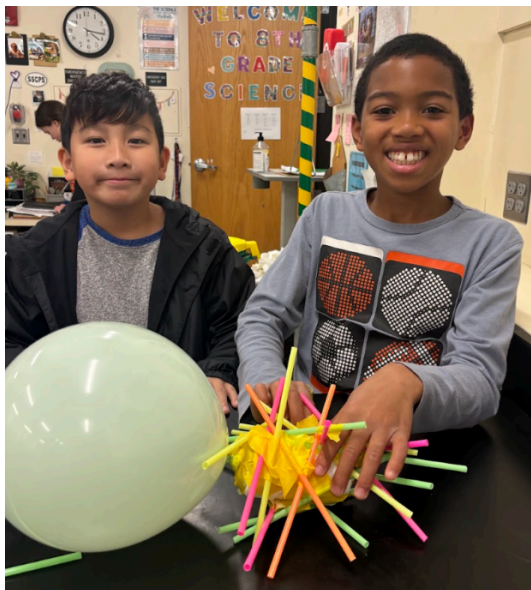

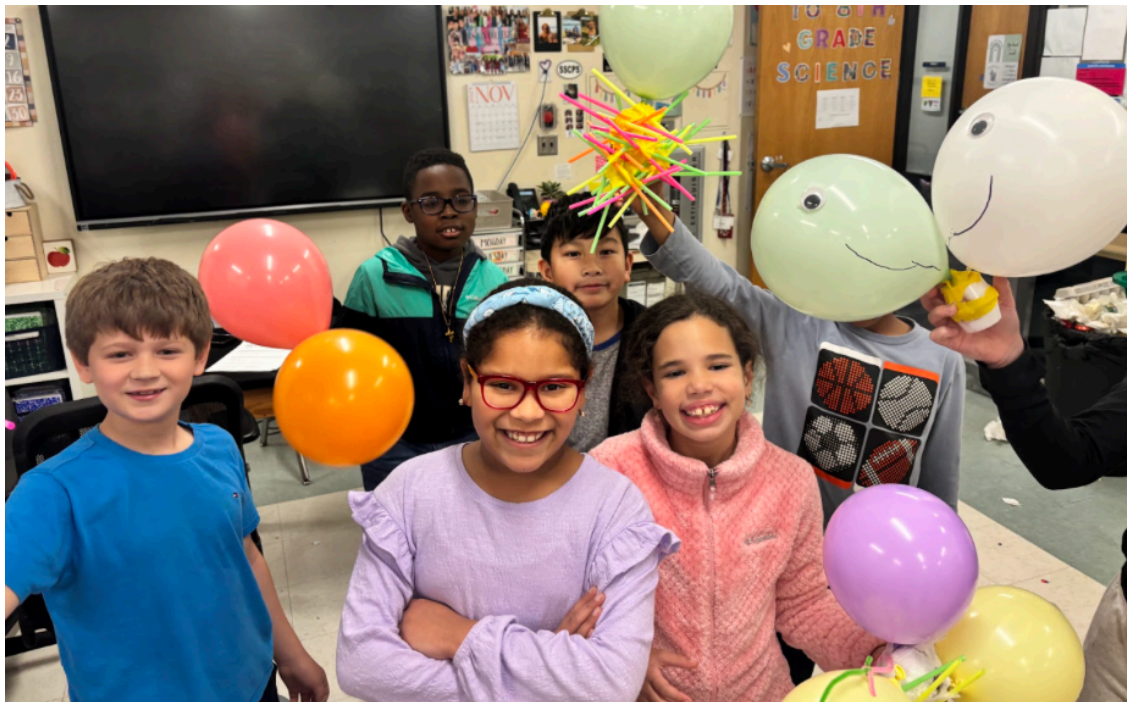

STEAM Dream Team

The STEAM DREAM TEAM students dove into the prototyping process through the classic egg drop challenge. This hands-on activity inspired them to design, construct, and test protective structures to keep an egg intact when dropped from table height. Through trial

and error, they evaluated their designs, refined their ideas, and learned to balance creativity with practical problem-solving—all while collaborating with their teammates.

Creative Minds Club

In Creative Minds Club, we explored the genius of Picasso and his incredible contributions to the art world. Inspired by his unique style, students unleashed their creativity and added their own flair to craft stunning Picasso Collages. It was a fun and imaginative journey into the world of modern art!

Interfaith Holiday Sponsor Form

Each year, caring individuals, churches and businesses across the South Shore “adopt” some of Interfaith's food pantry client families as part of our Help for the Holidays program. They purchase gifts for children who would otherwise go without. Last year, nearly 900 children were assisted through this program.

If you would like to purchase gifts for children served by Interfaith Social Services' food pantry, please fill out [this form](#).

Please avoid donating clothing, tablets, gaming systems, computers, scooters or bikes.

'TIS THE SEASON

Here at Interfaith Social Services we're feverishly planning for the holiday season. This time of year is particularly difficult for the families that we serve. We want to make sure that all of our clients receive not only their basic necessities, but a little bit of joy as well.

Each year Interfaith depends on sponsors from our community to participate in our ***Help for the Holidays*** program, which distributes holiday gifts to more than 1,000 local kids in need.

Level I & II Co-Chair Elections

Announcing Keisha O'Marde as our new Level I & II Co-Chair! As you may know, there are 3 Co-Chairs of the PA representing our student/parent population; Stephanie Innis represents Level III & IV, and Addy Olaoye represents Level V. Between the three Co-Chairs, they elect a single Chair of the Parents Association to represent all

Parent/Guardians interest on the Board of Trustees. This is a big volunteer responsibility and essential to the health of our school, so please join us in congratulating Keisha on her win!

Our next PA meeting will be held on Tuesday December 10th @ 7PM. Please join us on Zoom.

K-6 Craft Day Volunteer Sign Up

We are looking for volunteers to help with this year's Craft Day event on Friday, December 20th. If you are interested in volunteering on Craft Day please sign up [here](#). We are asking volunteers to plan for a craft for about 50 students. **Due to the structure of the event, individuals may only register for one grade level.**

Anyone that volunteers at SSCPS must complete a CORI, complete volunteer training, take the volunteer quiz and be fingerprinted. Please plan ahead and get your paperwork completed as soon as possible if you plan to come in and volunteer on **Craft Day**. This sign up will close on Friday, December 13th to allow us time to plan. Thank you for your consideration. We are all looking forward to this year's Craft Day!

Other Ways to Get Engaged in Our School Community

Did you know there is more than one way to get engaged in our school community? Visit the PA website [Parent Volunteer Opportunities](#) page to learn more about the following three way you can get engaged:

1. Search through [parent volunteer opportunities list](#) – This dynamic list houses one-time and ongoing volunteering opportunities at the school.
2. Join a PA Committee – Email the PA if you want to join one of our standing committees including Outreach, Events, and Fundraising PAatSSCPS@gmail.com

3. Join the [SSCPS Connect](#) Database - SSCPS Connect is a community engagement platform that connects the skills, talents and expertise of our community members to our school's faculty, staff, and community leaders to support our mission to "Inspire students to excel in academics, service, and life." Through a comprehensive survey, we gather how individuals want to contribute, allowing school leaders to easily search and connect to the resources that exist right here in our community.

Health Office

If your student takes prescription medication during the school day, including epipens or inhalers, the medication will need to be dropped off to the school nurse by an adult. Medication cannot be sent on the bus with students. All medication needs to be accompanied by a new prescription medication form each year. Your doctor may fill out their own medication form, an Asthma Action Plan, Allergy Action Plan, or the school's [Prescription Drug Form](#). No medication can be accepted without the proper paperwork. Parents/guardians will also need to sign the form to give permission for medication to be administered in school. Students can not bring in over the counter medication. All medication needed at school must be held in the Health Office and have the proper paperwork in order for it to be administered at school. Please check expiration dates of medication before sending it in. Medication that expires during the school year will need to

be replaced before it expires. Please reach out to your school nurse if you have any questions about medications.

If your student is planning on playing a school sport in the fall they must have a current physical dated within the past 13 months of the start of the sports season. Students who do not have a current physical will not be allowed to try out or participate in sports. You may submit health forms to:

K-8: Jaime Kjelgaard, RN Jkjelgaard@sscps.org 781-982-4202 x 104

High School: Barbara Folan, RN Bfolan@sscps.org 781-982-4202 x 182

Fax: 781-982-4201

Students entering K, 4th, 7th & 10th grade must submit current physical forms and vaccine records.

The K through 8 school is a **peanut/nut free** building. Please make sure you do not send your child to school with any food that contains peanuts or nuts or the label reads "may contain nuts or traces of nuts". Caffeinated beverages are not allowed in the elementary school. Please send your student to school with a reusable water bottle as the school does not provide water bottles.

Please reach out to your school nurse and teacher if your student is sick. Students who have vomiting, diarrhea, or a fever of 100 or above need to remain out of school until the symptoms or fever have resolved for 24 hours. If your student has strep throat, conjunctivitis or any other contagious illness they will need to remain out until they have been on antibiotics for 24 hours. Students who develop any of these symptoms during the school day will need to be picked up from school promptly. Please make sure your contact information with the school is up to date. Absences can be reported to attendance@sscps.org.

Level I students should have a full change of weather appropriate clothes that is kept at school.
