A Message from Alicia

Spring days at South Shore Charter have a distinct rhythm. This year, the pulse is one of growth and change. Kindergarten students are nearing the end of their first year of school. Eighth grade students with high school clearly in sight are preparing for an upcoming trip to Washington, DC. Meanwhile, our high school seniors are getting ready for graduation and life beyond SSCPS. This year we are proud to induct nine seniors into the Fraternity of Thirteen, an honor awarded to students who have been with us since kindergarten. We are also pleased to share the list of College Acceptances for the Class of 2025. The Class of 2025 has left its mark on South Shore Charter with a list of impressive accomplishments that are the result of hard work and dedication. This is the time for families to celebrate and

enjoy all of their hard work and support that has elevated their child to impressive heights. We look forward to honoring the Class of 2025 at their upcoming Commencement on Friday, June 6, 2025.

This year marks our thirtieth year, one where school traditions have gone hand in hand with our mission. As we look to the future of South Shore Charter, we remain proud of school traditions both old and new. This spring, our school community came together to celebrate amazing events: African Diaspora Night, Literacy Night, and STEM night, to name a few. Our two most recent events, Multicultural Food Night in April and the SSCPS Spring Fair in May, provided more opportunities to celebrate our school. This year's Multicultural Food Night was an evening filled with delicious dishes from around the world, great music, and fun festivities. It was a chance for all to gather and celebrate what makes our school so unique. This outstanding night was made possible by the hard work of the dedicated parent volunteers on the Multicultural Food Night Planning Committee who met weekly for months prior to the event. Tremendous thanks to our event organizers, Natacha Julien, SSCPS Trustee, and faculty members Sheina Prince-Eugene and Nadine Sullivan, along with students from the Multicultural Workshop, who worked countless hours to make this joyful event happen. The success of Multicultural Food Night shows how well we can work together, celebrate, and focus on what truly matters in our community.

Nowhere were these same tenets more evident than at the SSCPS Spring Fair here at school on Saturday. For six hours, our school community came together to enjoy a beautiful day of celebration and carnival fun. Students of all ages and their families spent time together playing games, bouncing and sliding, painting faces, running races, jumping rope, and enjoying being in one another's company. Thank you to all who attended. Special thanks to our family and faculty members who tirelessly volunteered.

We owe a tremendous thank you to the SSCPS Fair Committee. The Student Council worked hard to ensure the day went smoothly and everyone had fun. It was a significant endeavor. This group of dedicated high school students devoted countless hours of thought and hard work into making the fair a reality for the second year in a row. Each member of the committee brought their unique talents to the table. Using last year's event as a guide, every detail of the fair was well planned and mapped. We could not have been more pleased with the outcome. Congratulations David Anyanwu, Emily Houghton, Willow Shinney-Kalafatas, and Emily Walsh for a job well done. Special thanks to our hard working staff, Kristine Bingham, Kerri Doble, David Griffith, Wayne Heuer, and Rowena Samuels for all of their assistance with this enormous event.

South Shore Charter is pleased to offer another student-run event happening Friday, May 9. There will be heart screenings done by *Who We Play For* at 700 Longwater from 8:00am - 12:00pm. We owe a tremendous amount of gratitude to the Facey family for introducing us to this organization. Special thanks to SSCPS Senior Emily Houghton for spearheading this important initiative. If you are interested in signing your child up for screening, registration information is included in today's update.

The South Shore Charter Public School community has embraced the opportunity to welcome new students and families to our school community. Regarding enrollment growth, we have held two new curriculum nights for the high school and Level IV. We have also held institutional growth information sessions for faculty and staff, as well as for families. The first Institutional Growth Family Zoom Meeting was on Tuesday, April 28. If you were unable to attend the meeting last Tuesday, questions may be posted [here](#). The next institutional growth session for families will be at the upcoming Parents Association Meeting on May 13, 2025. We encourage you to attend and learn more about our plans for the next five years.

Thank you for your continued support.

CSCR and SSCPS Summer Partnership (Summer 2025).

Students will explore the vast and largely unexplored ocean, uncovering its mysteries and complexities. Through hands-on field-based activities, they will gain a deep understanding of how humans are connected to marine ecosystems and how each of us is linked to the global ocean. Students will develop watershed awareness and witness firsthand how the health of our watersheds directly impacts the ocean and the species that depend on it.

Heart Health Screenings at SSCPS

Senior Emily Houghton has recently teamed up with the non-profit Who We Play For to hold heart screenings at SSCPS. Their shared goal is to reduce the rate of sudden cardiac death by finding detectable heart conditions that are easily found (95% of the time) on a student's EKG versus the 5% found in a normal sports or annual physical.

Sudden Cardiac Arrest (SCA) is the leading cause of death on school campuses and the #1 killer of student-athletes, equaling what we believe may be as high as 23,000 SCA events each year - Emily's partnership with Who We Play For aims to provide accessible screenings for as many people as possible.

Use the button below to sign up for a screening on May 9th from 8am-12pm. Please spread the word and encourage friends, family, and members of the community to get their heart screened. No one should go undiagnosed. It's time to be proactive, not reactive!

JJ Facey SSCPS Scholarship Application

SSCPS seniors are encouraged to apply for the new JJ Facey SSCPS Scholarship!

The JJ Facey SSCPS Scholarship was established to provide financial assistance to a graduating senior student athlete who exemplifies the characteristics of sportsmanship, integrity, character, and respect. Our first ever SSCPS recruited college athlete, JJ Facey, graduated from South Shore Charter Public School in 2024. He influenced the student body, faculty & staff with his welcoming disposition, character, athleticism, and smile. His uplifting balance of work and fun provided us with a model of well-rounded citizenship and taught us how to approach life with a sense of humor. To quote JJ, "Hard work is easy," and the recipients of this scholarship will carry on this ideology.

2025 SSCPS graduate(s) awarded with this scholarship plan on attending either a postgraduate 5th year program, trade school, or a two or four year college. Seniors can find the application and more information using the button below.

Black Student Union | Hair Salon Exhibition

The Black Student Union hosted a Hair Salon Showcase this week for both eighth graders and high schoolers alike. The Showcase was a celebration of Black hairstyles and their history, application, symbolism, culture, and pride. Through photography, storytelling, and modeling, we honor the legacy of Black hair traditions. SSCPS is a school where cultural diversity is so important and integral to our community, and the Hair Salon Showcase was another step toward breaking down stereotypes or stigma around Black hairstyles. The students learned how to effectively research, collaborate with one another, and present information in a professional and clear manner. The skills learned and the knowledge gained from this showcase is something invaluable that the members of BSU will carry with them throughout their high school career and into their future careers as well.

PASSION TWISTS

Brief History:

Passion twists were created in 2018 by Miami hairstylist Kailyn Rogers, known as The BoHo Babe. She wanted to create a style that was lightweight, natural-looking, and a mix between goddess locs and Senegalese twists. Since then, passion twists have become very popular, especially within the Black community, because of their beauty and versatility.

Description:

Passion twists are a type of protective hairstyle that are created by twisting natural hair with synthetic hair. They are known for being lightweight and easy to maintain. They can last for several weeks and are a popular choice for those looking for a low-maintenance, natural-looking style.

The Rising Popularity:

- Since their creation, Passion Twists have risen rapidly in popularity through social media platforms like Instagram and YouTube.
- They became a go-to protective style for people embracing their natural hair textures during the natural hair movement.
- Their soft, bouncy look makes them perfect for both casual and formal occasions.

In Entertainment:

- Actresses like Cardi B, Beyoncé, and Janelle Monáe have rocked passion twists.
- They've appeared in music videos, red carpet events, and fashion campaigns.
- Passion twists symbolize the celebration of natural beauty in modern-day culture.

Fun Facts:

- They were inspired by the natural texture of Type 3 and 4 hair.
- Passion twists are considered a "protective style," helping natural hair grow while protecting it from damage.
- They can last 4-6 weeks with proper care.
- Passion twists are lighter and softer than traditional Marley or Havana twists.
