Disclaimer- We know that not everyone likes to solicit donations, and we do not expect you to do so!

If you however, have a personal connection with a business or organization with a philanthropic mission that may like to support SSCPS, we would be happy to connect with them. (For example, you may know the owner of a pizza restaurant or employee of a local restaurant or sports company, etc.) **Warm introductions and leads are incredibly helpful.** Most business and organizations are very generous to our school when they have a connection with our students and families. Please help us by providing the name of the company/individual and their contact information, and we will contact them or set up a time for us to get together for a warm introduction.

Does your company offer corporate matches for donations? If so, please let us know!

Yes

No

Do you have any ideas for fundraising or any items that you could donate to the school?

PLEASE NOTE: This form will be shared with the Parent Association for community building and fundraising purposes. All volunteers must, on an annual basis, fill out a CORI form and pass the CORI check.

Thank you for taking the time to help SSCPS!
