

# **SOUTH SHORE CHARTER PUBLIC SCHOOL**

*Inspiring every student to excel in academics, service, and life*

August 2019

Dear Students, Parents and Guardians,

I hope all of you are enjoying your summer vacation and this letter finds you rested and relaxed. With the new school year rapidly approaching, I wanted to take this opportunity to welcome or welcome back everyone to the South Shore Charter Public School. The entire Learning Services Team is gearing up for the new school year and remains dedicated to working with you and your children cooperatively, making every effort to make their year here successful, challenging and enjoyable.

If you are new to our school and your child is on either an IEP or a 504 Accommodation Plan, I strongly recommend that you provide us with the necessary documentation so we can make your child's transition to SSCPS seamless and enjoyable. We will be scheduling a time for you to come in for a meeting within the first few weeks, to meet your child's teachers and review your child's plan.

Finally, I want to take this opportunity to encourage each of you to get involved at the South Shore Charter Public School. Your child's education is very important to us. As a parent-founded school, we depend on you to be actively involved in supporting your child's education, which includes volunteering at SSCPS. I urge you to learn about the many ways you can volunteer at SSCPS and help us to build a strong school community and culture.

I look forward to meeting you and working with you and your children in the coming year.

Sincerely,

Matthew Tondorf  
Director of Learning Services
