

South Shore Charter Public School

Dear Families,

I hope you're having wonderful school year. As we get into the closing of the year, I can see the students buzzing with excitement for summer. The purpose of this letter is to inform you about the upcoming **4th & 5th grade Evening with Instrument Night on Thursday, May 16th, 2019** at 5:30pm. This would give students an insight into choosing an instrument in the Fall. This will take place at 100 Longwater Circle.

Learning to play an instrument is a great way for students to grow and express his or herself in a new way: musically. These potential instrumental musicians will be learning the ins and outs of their chosen instrument. Knowing that they each have a specific part to play in making the music come together as a whole will feed their desire to learn and grow as a musician even more!

Thanks to the company Music & Arts, 4th and 5th graders will have an opportunity to circulate amongst various rooms to try many different instruments. Some of these instruments will include flutes, oboes, bassoons, saxophones, trumpets, french horns and more!

There is no cost for participation in the instrumental program. There is, however, a instrument rental fee. This is a limited number of instruments. On the other hand, there are various 3rd party rent-to-own programs that are great such as the providers of the instruments for the night. With this, at the end of the year, the student will have their very first instrument!

At the end of the night, students will choose their top three instrument choices. I can guarantee that they would be able to have one of their top choices.

If you have any questions, feel free to contact me.

Sincerely,

Theron Leonard
