

Heritage Day at SSCPS - High School

This year, the high school students celebrated Heritage Day for the second year in a row. On April 12, 2019, the Cultural Diversity Workshop collaborated with BSU, the Photography Workshop, the Cooking Without a Kitchen Workshop, the Strings Workshop, and the Dance Workshop to showcase the students' diverse heritage. Each room in the high school, including the Great Room, was filled with presentations, cultural artifacts, food samples, dance demonstrations, music, and more. Students and teachers were encouraged to wear clothes representing their culture and everyone had a fun learning experience. We are all very proud of the outcome of this year's Heritage Day Celebration and we are thankful to everyone who helped and contributed to making this celebration a fabulous success.
