

School Council
Meeting Minutes
April 12, 2017

Meeting commenced at 3:36 p.m.

1) School Improvement Plan

- At a Level Coordinators meeting, the Level Coordinators looked over the SIP to give feedback.
- Ted went over the minutes from that meeting.
- He believes goals that the school sets in the SIP should be evaluated every year to see how we're doing with them.
- Grades 7, 8 and 9 will be getting guest speakers to address opioid prevention; a grant was obtained through Ellen and Susan for \$5,000 to educate our students.

Meeting adjourned at 4:50 p.m.
